34. COMMENTS/SOURCES: Chain of title broken by modern deed 12 90/320 (1948). Restored with help of present owner, who recalls it being the Apollo Gilmore place, and the 1859 map. It was there in Young's 1830 tax list (house 300, barn [not this one] 875) & probably existed earlier - only the ell could be so early. In 1858, first time Gilmore's tax list found: 4 lots Island Ridge, 2 Young places, house valued at $250. So his construction of an Italianate - go this main house (now stripped of trim) occurred later.
