TOWN COUNCIL MINUTES

MAY 18, 2010

A special meeting of the Hampden Town Council was held on Tuesday, May 18, 2010 for the purpose of holding a budget workshop on the proposed FY 2011 budget; to act on an application for a Victualer's License; and to discuss the Town Manager's performance review and contract. The meeting was called to order at 6:05 p.m.

Attendance: Councilors: Mayor Matt Arnett, William Shakespeare, Jean Lawlis, Shannon Cox and Janet Hughes; Thomas Brann arrived at 6:35 pm and Andre Cushing arrived at 7:25 pm

Town Manager: Susan Lessard

Department Heads/Staff: Town Planner Bob Osborne, Assessor Kelly Karter, GIS/IT Specialist Gretchen Heldmann, Community and Economic Development Director Dean Bennett, and Public Safety Director Joe Rogers

Representatives of Hammond Street Senior Center; Eastern Area Agency on Aging and American Red Cross

A. APPLICATION FOR RENEWAL OF VICTUALER'S LICENSE RECEIVED FROM MWP ENTERPRISES d/b/a NEALLEY'S CORNER STORE, 1230 KENNEBEC ROAD

This item had been continued from the regular Council meeting of May 17th. At the initial inspection of the business, Building Inspector Keith Barnhard and Code Enforcement Officer Ben Johnson had determined that the store's hood system does not meet code requirements and owner Martin Panther had hired a contractor to do the work necessary to bring it up to code. At the meeting on May 17th, he informed the Council that it was ready for another inspection. Keith and Ben re-inspected the hood today and determined that the work that had been done is still not up to code standards. Mr. Panther will take the necessary steps to bring it into compliance and submitted a letter stating he will not fry any foods until such time as the hood system is brought up to code. Because the current license expires today, it was the recommendation of the Fire Inspector and Code Enforcement Officer to approve the license with that condition.

Motion by Councilor Shakespeare, seconded by Councilor Cox to approve the victualer's license for Nealley's Corner Store with the condition that they do not fry food until such time as the hood system is brought up to code and subsequently inspected by the Fire Inspector – unanimous vote in favor.

B. 2010/2011 BUDGET REVIEW

TOWN COUNCIL MINUTES

MAY 24, 2010

A special meeting of the Hampden Town Council was held on Tuesday, May 24, 2010 for the purpose of holding a budget workshop on the proposed FY 2011 budget and to discuss the Town Manager's contract. The meeting was called to order at 6:10 p.m.

Attendance: Councilors: Mayor Matt Arnett, Thomas Brann, William Shakespeare, Jean Lawlis, Shannon Cox and Janet Hughes; Andre Cushing was excused

Town Manager: Susan Lessard

Department Heads/Staff: Library Director Debbie Lozito and Public Works Director Chip Swan

TOWN MANAGER'S CONTRACT

Motion by Councilor Brann, seconded by Councilor Cox to set aside the rules to add an item to the agenda – unanimous vote in favor.

Motion by Councilor Brann, seconded by Councilor Cox to add discussion of continuing employment of the Town Manager – unanimous vote in favor.

Mayor Arnett reported that the Council had met in executive session at the last meeting and has come to an agreement with the Town Manager for a new contract. He asked for a motion to offer a 5-year contract beginning July 1, 2010 and continuing for 60 months to Susan Lessard to continue as the Hampden Town Manager with a base salary for the year 2010-2011 of \$89,800. Her vacation allowance is increased to 5 weeks per year and she is granted an additional week per year for professional development. Her health insurance, sick time leave, retirement and all other benefits, obligations and conditions identified in her current contract shall continue as there stated. The contract shall be put into proper legal language by the Town attorney and signed by the Manager and the Mayor as the representative of Town Council. Councilor Lawlis so moved; the motion was seconded by Councilor Cox and vote was unanimously in favor.

2010/2011 BUDGET REVIEW

Budgets for Library, Public Works, Municipal Garage, Solid Waste, Buildings & Grounds, Marina, Non-Departmental Utilities, The Bus, Administration, Town Council, Municipal Building, Tax Collector and Elections were reviewed.

May 24, 2010

Dear MRC Member Community:

Several MRC members have brought to our attention that the May 13, 2010 quarterly cash distribution for the second quarter of 2010 included cash payments that differed substantially from expectations. After further review of the cash distribution, some MRC members in fact did receive less cash than would be expected while other members received more cash than would be expected.

This occurred because the second quarter cash distribution included release of funds from the MRC's stabilization fund and custody account balances that reflect a history of deposits based on allocation methods that accounted for values of Guaranteed Annual Tonnages over time as well as historical waste deliveries, which methods were in force at the time the funds were deposited. About three years ago, the MRC acted to replace the old allocation method with a more equitable method based only upon per ton actual deliveries from the prior quarter. Thus, the second quarter cash distribution needs to be adjusted to be consistent with the current allocation methodology. Note that where the sum of the cash distribution was correct, no funds were actually lost or gained.

Please find attached a spreadsheet detailing the adjustments for each Equity Charter Municipality to be made in the next quarterly cash distribution to occur around August 10, 2010.

The MRC Board will consider two actions to restore equity to the second quarter cash distribution and ensure the current allocation methodology applies to future cash distributions:

1. Clarify that future withdrawals to meet cash distribution requirements will be based upon each Equity Charter Municipality's pro rata share of acceptable waste credited as delivered to PERC in the quarter preceding the distribution (rather than the pro rata share of their prior account balance).
2. Adjust the cash distribution in third quarter 2010 by such amounts as would cause, retroactively, the allocation of the withdrawals from the Custody Account and Tip Fee Stabilization Fund for the second quarter of 2010 to have been made on the basis of each Equity Charter Municipality's pro rata share of acceptable waste credited as delivered to PERC in the quarter preceding the distribution.

Please contact me at 1-800-339-6389 or 942-6389 with any questions or concerns.

Sincerely yours,

Gregory A. Lounder
Executive Director

Dear Chief Rogers,

I wanted to thank the members of the Hampden Fire and Police Department who assisted me on May 5th 2010. My accident occurred around 5:45 p.m. I had attempted to drive myself to the hospital post incident but decided it would be best to contact help. While on the phone with 911 my cell phone malfunctioned and ended my call. I was unsure to how much information had been relayed. While I was waiting for my phone to "reset itself" (this takes approximately 10 minutes) officer Josh Gunn pulled in behind me with his cruiser. I would estimate that it was less than 2 minutes from the time I had been disconnected with 911. I was thankful the information on at least the location had been received. I exited the vehicle and proceeded towards Mr. Gunn. He immediately recognized the severity of the injury and advised me to sit down while we waited for the ambulance. I recall Mr. Gunn stating that I had taken the right steps in my first aid by tying a tee shirt around my wound to control the bleeding. I then told Mr. Gunn that the reason for the tee shirt was not to control bleeding but to keep the discharge from the wound off from my vehicle seat. We both chuckled as we waited for the ambulance. The ambulance arrived soon after with paramedic Joseph Dutton and I believe the driver was lieutenant Ray Pipes (forgive me if I am wrong). Joe immediately took me to the ambulance and started care. I am a paramedic with the Bangor Fire Department, so Mr. Dutton and I were able to relate to each other and did some reminiscing on the ride to Eastern Maine Medical Center. Mr. Dutton was very compassionate and understanding to the situation. He seemed up to date with his medicine and was proficient with his skills. I am on the mend and hope to be back to work by the 22nd of May. I want to thank these three gentlemen for their expedience, professionalism, and sincere compassion for people. My contribution in tax money to the town of Hampden is obviously being used wisely.

Sincerely,

Dear Town/City Manager,

I am writing to you as part of our ongoing efforts to keep you apprised of developments affecting Time Warner Cable customers in your community.

Time Warner Cable's agreements with programmers and broadcasters to carry their services and stations routinely expire from time to time. We are usually able to obtain renewals or extensions of such agreements, but in order to comply with applicable regulations, we must inform you when an agreement is about to expire. The agreements with the programmers/broadcasters on the attached list are due to expire soon and we may be required to cease carriage of one or more of these services/stations in the near future. Conversely, there are also times when we will include the addition of new channels within these ads.

Again, this is a routine notice and we are confident agreements will be reached with these networks. Enclosed is a copy of the ad that will run in the local daily paper; the notice can also be found on our website at: <http://www.timewarnercable.com/newengland/support/policies/channelchange.html>

These ads are placed in the first and third Wednesday of each month. This information is also located on the back of the customer bill.

Please do not hesitate to contact us if you have any questions.

INFRASTRUCTURE COMMITTEE MINUTES
May 24, 2010

Attending:

Mayor Matthew Arnett	Public Works Director Chip Swan
Councilor William Shakespeare	Town Manager Sue Lessard
Councilor Shannon Cox	
Councilor Janet Hughes	
Councilor Jean Lawlis	
Councilor Thomas Brann	

The meeting was opened at 5:05 p.m. by Chairman Shakespeare

1. Minutes of 4/26/2010 - Motion by Councilor Cox, seconded by Mayor Arnett, to approve the minutes as presented, unanimous vote to approve.
2. Old Business
 - a. Police Department Update – The Town Manager reported that we have had a resignation in the Police Department. That space is anticipated to be filled by regular part-time reserve officer Miller. If that is the case, there will be no reason for the Town to implement any sort of wage adjustment for the part time position because we will have to recruit, fill and then train that position again, which will take a couple of years to do.
 - b. Mayo Road Update – Public Works Director Chip Swan reported that the Mayo Road project will begin on June 1st.
3. New Business
 - a. Alewife Fishery – Josh Faulkingham and Jeff Boland attended the Committee meeting to discuss the status of the alewife fishery in the Souadabscook and their desire to harvest alewives there. The fish currently cannot get beyond the dam on the Papermill Road; they are overpopulated in that area and have grown to be very large. The Town has not had a Fishing Agent or harvesting of alewives in more than ten years. Motion by Councilor Brann, seconded by Councilor Lawlis to authorize the Town Manager to work with Josh Faulkingham and Jeff Boland to develop a plan to manage the alewife fishery in Hampden, to include a combination of harvesting and conservation practices. Vote 6 – 0.
 - b. Harbor Ordinance – Dan Higgins representing Hamlin Marina and George Berube, a Hampden resident wanting to locate

a private mooring in the Penobscot River adjacent to the Marina, attended the meeting to get clarification from the Committee on how the Town intends to treat private moorings, and interpretation of the current Harbor Ordinance. The Committee agreed that the Harbor Ordinance is badly outdated and needs revision. Motion by Councilor Hughes, seconded by Councilor Arnett to refer the Harbor Ordinance to the Planning and Development Committee for review and recommendations. Vote 6 – 0 in favor.

In order to resolve the problem concerning the mooring, Dan Higgins offered to give Mr. Berube a mooring in the Marina mooring field for this season providing that he obtain liability insurance on his boat similar to what other boat owners have to provide. He will do this for one season while the Town Council works on updates to the Harbor Ordinance.

4. Public Comment – None
5. Committee Member Comment – None

The meeting was adjourned at 6 p.m.

May 17, 2010

Minutes

Attending:

*Mayor Matthew Arnett**Councilor Tom Brann**Councilor Jean Lawlis**Councilor Shannon Cox**Councilor William Shakespeare**Town Manager Susan Lessard**Councilor Janet Hughes**Councilor Andre Cushing*

1. Minutes of 5/3/2010 Meeting – *The minutes of the 5-3-2010 meeting were reviewed and approved.*
2. BAT Fare Increase Proposal – *The Town Manager presented the Finance Committee with information regarding a proposed fare increase for the BAT buses for the coming year. It was the consensus of the Committee to recommend to the full council to support the proposed fare increase for the BAT system. The City of Bangor is also considering elimination of service of its buses on six holidays. The Town Manager expressed concern over this because of the impact to those from Hampden who use the service for shopping, doctor appointments, etc. that would still occur on the named holidays. The Town of Hampden running its service on that day would have no benefit because riders could not get beyond the Bangor 'hub'. It was the consensus of the Committee to recommend to the full Council that the Town Manager provide testimony to the BAT system opposing the curtailment of service on the named holidays.*
3. Manager Contract – *The Town Manager provided the Committee with information regarding performance over the past five years, including annual reports submitted by the Town Manager for that time period. It was the consensus of the Committee to recommend to the full council that the evaluation of the Manager be conducted by the Council in executive session following the budget workshop to be held on May 18th.*
4. Public Comment - *None*
5. Councilor Comment – *None*

The meeting was adjourned at 6 p.m.

Dear Neighbor,

The Hampden Garden Club was pleased to host members of the Hampden Business Associates at Harmony Hall two years ago, and those of you who were there were able to enjoy this historic building located at 24 Kennebec Road. We have owned the Hall since 1966, constantly working to maintain it.

As you may know, we are currently raising funds for some major repairs, hoping to make it a more useful community building. Please see the enclosed brochure for more information about this project.

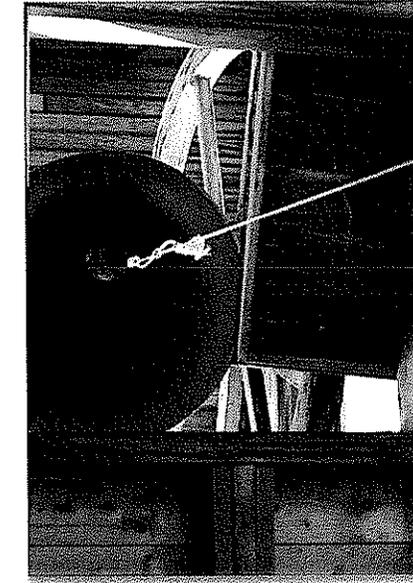

To date we have raised \$25,000 and are now looking to the community businesses and individuals to raise an additional \$50,000. We hope you are interested in helping us preserve this town treasure.

Any contribution will be appreciated and may be sent to the contact address on the brochure. Your donation is tax deductible and will be publicly acknowledged unless you wish anonymity. Please consider a donation at one of the following levels:

Orchid - \$1,400 or more Rose - \$600 - 1,399 Lily - Up to \$600

Refer to our website <http://harmonyhalloffhampdenmaine.blogspot.com> for more information or you may call Anne @ 862-3467 or Pat @ 862-3909. If you are interested in seeing the inside of Harmony Hall, we would welcome your visit at any time. We thank you for your help in preserving this fine old building.

Highlights of Harmony Hall

Built in 1828 as a Universalist church, this Greek revival building is **one of Hampden's first public buildings**. Services were held in the building until 1884.

In 1895, a group of the town's women formed the **Hampden Village Improvement Society**, and organized a renovation of Harmony Hall. The goal of the renovation was that the building be used for town functions. Over the years it has been used for fairs, lectures, and entertainment for the townspeople.

In 1898 **Susan B. Anthony**, the famous suffragist, spoke at Harmony Hall to an enthusiastic crowd about women's right to vote!

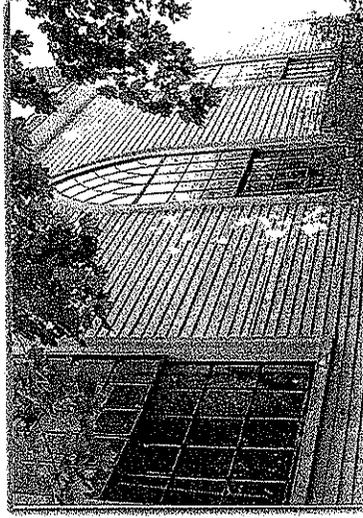

The minutes from a Garden Club committee meeting in 1938 state "The chief project of the civic committee in 1938 has been to undertake the **improvement of Harmony Hall**." This work of preservation is still ongoing.

In the last ten years **1,200 fourth grade students have attended an educational program at Harmony Hall** to provide education in gardening, conservation, sustainability and the historical significance of Harmony Hall in Hampden's historical community.

In 2007 Harmony Hall was granted status on the **National Register of Historic Places** through the efforts of the Hampden Garden Club.

The Hall has **unique architecture** including:

- A Revere Bell, one of only a few surviving.
- Six magnificent gothic-style windows
- A gallery which is supported from above by iron bars.

What does it cost to preserve a piece of history?

The Garden Club has engaged House Revivers for the renovation project. This Bangor business has revived many old landmark buildings in the Bangor area.

They estimate about \$150,000 to accomplish all needed repairs.

What needs repairing?

- Windows must be completely rebuilt because of wood rot and missing glazing.
- Shifted foundation stones need resetting.
- A side wall bulge must be investigated and repaired.
- The exterior of the building needs scraping, priming, and painting.
- The porch needs rebuilding to allow safer access.
- Ideally the building would be made handicapped accessible in order to make it more useful to the community.

The Hampden Garden Club has been diligently working to accumulate funds for the preservation of Harmony Hall.

We are facing a daunting task to repair this historic town treasure, and we are now asking for financial support from community businesses and individuals.

Dear Sue,

We send this to you knowing you will be forwarding it to the Town Council.

Last month we had several pleasant conversations and a visit with Kelly Karter, our Town Assessor. We will tell you we left those encounters respecting Kelly's expertise and manner of handling her position. The Town is fortunate to have her.

Our reason for initiating conversations is that we had an appraisal done on our home at 42 Main Rd. N. recently and found that its appraised value was \$210,000. We compared this with our recent tax bill where the assessment was \$243,300.

Kelly came and did a thorough assessment and determined the assessment should be \$233,100, which she explained falls within the acceptable relation between assessed and appraised values.

She found several errors in the last assessment done July, 2004, which means our assessment has been inaccurate since that time. And it also explains why she lowered the amount by \$10,200.

She was able to refund \$162.18 of our 2010 taxes and explained we needed to ask Council to refund the two previous years. For 2009 it will again be \$162.18 and for 2008 it will be \$160.14. She said nothing could be done about the years 2005-2007 with the inaccurate assessment. We would not be adverse to the Council differing with her on this matter.

We trust this can be taken care of and closed.

Sincerely,

RE: Nomination for MMA Vice-President

May 24, 2010

Dear Councilors,

I am writing to request the support of your Community for the position of vice-president of the Maine Municipal Association. The Town Council has urged that I seek election to this position and we need your help to put my name on the ballot.

The Council of Hermon feels I can bring a level of leadership during these difficult times that will benefit all Maine communities. Hermon is a Town that feels the pains of service centers and rural communities. From this experience, the Council and I want to assure that the State hears the voices of all Maine communities.

During my five years serving on the Executive Committee of MMA I have worked for all Maine communities by listening to our various needs and concerns and choosing the direction that best serves us all. With your support I would like to continue my work.

I am requesting that you fill out the enclosed nomination form and return it to MMA by July 2nd. Please contact me if you have any questions. My email is cdeschene@hermon.net or you can call me at 848-1015.

Yours truly,

Clinton Deschene

Re: Request for Resolution in Opposition to the Great Maine Forest Initiative et al

Over the last year, members of Maine State government, representatives of several environmental organizations, two federal departments, and others have been working to once again lock up the North Maine Woods and damage its critically important forest products industry. They essentially propose to use mostly federal monies through the Treasured Landscape Initiative and All Lands Initiative to fund these efforts under the more common name of the Great Maine Forest Initiative. They hope to entice major landowners to sell key parcels of their land or conservation easements over large portions of these mostly privately-owned working forests to the State. If successful, the government and their environmental allies will restrict access and use of these lands by the public, as they have done elsewhere in Maine. These groups include the Sierra Club, Natural Resources Council of Maine, the Nature Conservancy, Appalachian Mountain Club, and Maine Audubon. They have worked persistently and tirelessly to adversely impact our forest products industry and the thousands of Maine people who work in it.

Most of this work is being done by a working group that has been meeting in relative secrecy without the benefit of general public input. In the coming weeks, they expect to issue their plan that will seek a massive inflow of federal monies to finance their newest scheme. The Maine Woods Coalition was formed in 2001 for two primary purposes: (1) to oppose the possible creation of a 3.2 million acre federally-funded national park in the heart of Maine's most productive wood basket and, (2) to support economic development efforts in Northern Maine. We are now organizing an effort to derail these groups from succeeding in locking up our forests and our livelihoods. Letters have already been sent to President Obama, Governor Baldacci, Senator Snowe, Senator Collins, Congressman Michaud, Interior Secretary Salazar, Agriculture Secretary Vilsack, and each member of the Maine Legislature. We need your help in this effort as well.

I have enclosed copies of Resolves recently adopted by the Millinocket Town Council and the East Millinocket Board of Selectmen. I hope you will consider adopting a similar Resolve or a letter of support, in the near future as time is rapidly running out to mount our effort. If you do pass a resolve or write a letter supporting our efforts, please send it to the letterhead address above. If you have any questions, please feel free to call me at 446-4545 or e-mail me at info@mainewoodscoalition.org. Thank you very much for considering our request and I will look forward to hearing back from you.

OPPOSITION TO THE GREAT MAINE FOREST INITIATIVE, THE TREASURED LANDSCAPE INITIATIVE, AND THE ALL LANDS INITIATIVE

WHEREAS, a new effort is underway by the State of Maine, several environmental groups, and the federal government to develop a secretive plan to establish government control over millions of acres of the North Maine Woods through outright purchase and/or purchase of conservation easements; and,

WHEREAS, these efforts are called the Great Maine Forest, the Treasured Landscape, and the All Lands Initiatives; and,

WHEREAS, an outgrowth of these efforts could result in the creation of a 3.2 million acre federally-funded national park and preserve or designations such as national forests or monuments in the heart of Maine's prime wood basket; and,

WHEREAS, such efforts are a clear and present threat to the future economic vitality of the forest products industry and the population base in Aroostook, Penobscot, Piscataquis, and Somerset Counties; and,

WHEREAS, the Town of Millinocket is opposed to all such efforts that subvert Maine's proud 400 year history of private ownership and stewardship of its working forest;

NOW, THEREFORE, BE IT RESOLVED, that the Millinocket Town Council, in Council assembled on April 8, 2010, does hereby oppose creation of the **GREAT MAINE FOREST INITIATIVE, TREASURED LANDSCAPE INITIATIVE, AND ALL LANDS INITIATIVE** and calls upon the President, the Maine Congressional Delegation, the Governor, and the Maine Legislature to vigorously oppose these efforts as well.
