7. Adjournment

**Hampden Conservation Commission Meeting Minutes
for
March 28, 2006**

Present: Ed Steltzer (Chair), Bob Osborn, Don Katnik, and Wally Jakubas (Secretary).

Only a brief meeting was held since only 3 Hampden Conservation Commission (HCC) members were present.

Item 1: Approval of Minutes

The February 28, 2006 HCC minutes were approved after a misspelling was corrected. All minutes will be sent to Bob Osborn's new e-mail address.

Item 2: Old Business

The question was raised whether money for the survey of Dorothea Dix Park should come out of the open-space fund or a revenue account. A decision was not recorded.

We discussed ordering new signs (recycling and informational) for the transfer station.

Other discussion items that were tabled until we had a quorum:

- Beginning with habitat discussions with Tom Brann
- Project Canopy Grants & inviting a guest speaker from the Maine Forest Service
- 2006 Goal priorities
- By-laws
- Rewriting the Conservation Award Criteria
- October Hazardous Waste Pick-up Day

Item 3: New Business

Bob Osborn, Don Katnik, Mark McCollough, and Wally Jakubas met on the evening of March 16 to transfer open-space information to plot plans. Bob bought pizza for the group. Another meeting was scheduled for April 25 at 5:30 to go over the plot plans.

Tom Brann will be invited to the next meeting

Bob Osborne will be setting up site visits.

The next meeting date was set as April 25, 2006
