

TOWN COUNCIL MINUTES**MAY 5, 2008**

The regularly scheduled meeting of the Hampden Town Council was held on Monday, May 5, 2008. The meeting was held at the municipal building council chambers and was called to order by Mayor Briggs at 7:00 p.m.

Attendance: Councilors: Mayor Rick Briggs, Thomas Brann, Matthew Arnett, Andrew Colford, Andre Cushing, Shannon Cox and Edward Murphy

Town Manager: Susan Lessard

Town Counsel: Thomas Russell

Department Heads/Staff: Public Works Director Chip Swan and Public Safety Director Joseph Rogers

Joan Kirk and Julie Urban of Hampden Garden Club and citizens

A. CONSENT AGENDA

Treasurer's Warrants were circulated for approval and signatures of the Finance Committee. Councilor Arnett requested that Item A.3.a. be set aside. Motion by Councilor Cushing, seconded by Councilor Cox to accept the balance of the Consent Agenda – unanimous vote in favor.

A.3.a. COUNTY TAX 2008

Councilor Arnett asked how the county budget is arrived at and if the town has any influence over how much the county tax increases. Manager Lessard explained that the Council has a representative on the County Budget Committee – Councilor Gilberti was the Town's representative for this year's budget. The increase to the Town of Hampden this year is approximately \$40,000 or 7.4%, not because the County tax was up that much, but because Hampden's share increased due to an increase in our valuation. The County's overall budget increase was 3.13% and the biggest cost-driver is the jail. Motion by Councilor Arnett, seconded by Councilor Cox to accept Item A.3.a. – unanimous vote in favor.

B. PUBLIC COMMENTS

Ed Emmons of 681 Main Road North addressed the Council regarding the Hampden Trailer Park. He said he is in the process of renewing his Mobile Home Park license and has been working with Code Enforcement Officer Ben Johnson. Mr. Emmons has a few questions regarding some provisions in the Mobile Home Park Ordinance. He left a list of those questions and staff will contact him with the answers.

Mr. Emmons also questioned whether it would be possible to change the general assistance guidelines. He said there are several residents in the park who are struggling, but their income is just over the guidelines. Mayor Briggs explained that the guidelines are set by the State and each case is different, but staff can provide him with some general information.

C. POLICY AGENDA

1. PUBLIC HEARINGS

There were none.

2. NOMINATIONS-APPOINTMENTS-ELECTIONS

Appointments Committee Recommendations:

- a. Chris Packard – Tree Board – New Appointment
- b. Lance Case – Tree Board – New Appointment
- c. Jim Feverston – Tree Board – New Appointment
- d. Phil Stack – Tree Board – New Appointment
- e. Jason McIntyre – Recreation Committee – New Appointment
- f. Jim Kiser – Economic Development Committee – Reappointment
- g. School Board Appointment

Appointments Committee Chair Colford reported that the Committee is recommending the appointment of Rick Moore to the School Board and appointment of all other applicants as listed.

Motion by Councilor Arnett, seconded by Councilor Cushing to appoint all applicants as listed and recommended by the Appointments Committee – unanimous vote in favor.

3. UNFINISHED BUSINESS

a. MAINE STATE RETIREMENT – DOCUMENTATION OF PROGRAM

Manager Lessard informed the Council that Maine State Retirement System has requested documentation that the Town does not offer retirement benefits to part-time employees. She said this is a housekeeping item and requested that the Council sign the letter she had prepared. Motion by Councilor Brann, seconded by Councilor Colford to sign the letter as requested – unanimous vote in favor.

b. POLICE CRUISER BIDS

Public Safety Director Joe Rogers informed the Council that bid requests were mailed to several Maine dealers from Millinocket to Augusta, but the notice did not get published in the local newspaper. He noted that historically, the Town does not get many bids for police vehicles and the bids that were received are the two we usually receive bids from. He requested that the Council accept the low bid from Quirk in the amount of \$21,833 even though the notice was not published in the newspaper.

Motion by Councilor Cushing, seconded by Councilor Brann to waive the requirement that the request for bids be published in the newspaper as dealerships were directly contacted – unanimous vote in favor.

Motion by Councilor Arnett, seconded by Councilor Cushing to accept the bid from Quirk for a 2008 Crown Victoria in the amount of \$21,833.00 – unanimous vote in favor.

**c. POLICE & FIRE CONTRACTS – FINANCE COMMITTEE
RECOMMENDATION**

Because the Finance Committee was unable to meet prior to the Council meeting, this item was postponed until the next Council meeting. A meeting of the Finance Committee was scheduled for Thursday, May 8th at 7:00 pm.

4. NEW BUSINESS

a. SEWER COMMITMENT

Manager Lessard explained that the Council needs to sign a commitment every time sewer bills are sent out. She requested that the Council sign the Certificate of Commitment. Motion by Councilor Cushing, seconded by Councilor Brann to sign the commitment – unanimous vote in favor.

b. CARPETING – ADMINISTRATION OFFICES

Manager Lessard had asked Public Works Director Chip Swan to obtain a quote for new carpeting in the Planning/Assessing/Code Enforcement Office and the Economic Development Office. Chip received a proposal from Saliba's Carpet in the amount of \$3776.00 for the carpeting and a quote from Parker K. Bailey & Sons in the amount of \$750.00 to move all furniture before and after installation. Manager Lessard said the total amount of \$4,526.00 would come from the Municipal Building Reserve account.

Motion by Councilor Brann, seconded by Councilor Cushing to authorize the expenditure of \$4,526.00 from the Municipal Reserve Account for carpeting and moving expense – unanimous vote in favor.

c. FLUSHER TRUCK REPAIR ISSUES

Public Works Director Chip Swan said the flusher truck is 30 years old and the pump is 10 years old and is weak; the holding tank is rusted and leaking; the flusher part was purchased 20 years ago. While flushing some lines last week, the motor in the truck died. In reviewing the cost to refurbish or replace the truck, Chip has been advised that the cost of a new flusher truck would cost approximately \$150,000; contracting this service would cost between \$18,750 to \$25,000 annually; or refurbishing the existing truck could be done for approximately \$60,000, or \$6,000 per year

over a 10-year period. He recommended refurbishing the existing truck by replacing the flusher pump, the tank, putting a rebuilt motor in the truck and painting the truck.

Motion by Councilor Brann, seconded by Councilor Cushing to authorize refurbishing the existing truck at a cost of up to \$60,000 with funds to come from the Sewer Reserve fund.

During discussion Mayor Briggs stated he could support the motion if it was amended to include that \$6,000 come from the Public Works budget each year to replenish the Sewer Reserve fund. Manager Lessard noted that the flusher truck is used solely for flushing sewer lines and suggested that because this would put more responsibility on the tax base and away from the sewer user base, perhaps there should be further discussion about taking it from the Public Works budget. It was decided that the Finance Committee will add this to its agenda for further discussion and assessment.

Vote on the motion as originally stated was unanimously in favor.

d. HAMPDEN GARDEN CLUB – CAPITAL IMPROVEMENT
FUNDRAISING – JOAN KIRK and JULIE URBAN

This item was moved to the beginning of the agenda. Hampden Garden Club members Joan Kirk and Julie Urban informed the Council that Harmony Hall is in need of substantial repairs and the Club will be looking to the community for fundraising efforts. The Club is in the process of identifying structural needs and obtaining quotes for the repairs. They are also looking into grant options. The granite foundation is in need of repair, there is a bulge in one side of the building, the windows are falling out and the sills are rotting. The Club has obtained 501c3 status and is hoping to partner with the Town to promote Harmony Hall as a community building.

Manager Lessard suggested that the Club could use the Town as a partner and conduit for grants and offered staff assistance in writing any grants. Councilor Cushing said the Communications Committee will do a show to provide more exposure of the Club's needs and efforts.

- e. 2009 BUDGET:
1. INTRODUCTION
 2. RECREATION
 3. POOL
 4. LIBRARY

The budgets for the Recreation Department, the Lura Hoit Pool and the Edythe Dyer Library will be reviewed at a later date. However Manager Lessard gave an introduction of the proposed FY 2009 budget. The budget will result in a net increase of 3% and will include an additional full-time Firefighter/Paramedic position, upgrading the GIS/IT position from part-time to full-time, addition of Saturday service for the bus, additional staffing for buildings & grounds, and a 2.5% cost of living adjustment for employees. Debt service is up \$80,000 this year due to the gravel road paving project.

The front portion of the municipal building and the pool building both need new roofs. Manager Lessard said that there is good news on the revenue side and there is approximately \$14,000,000 in new construction valuation, which will result in \$220,000 in new tax dollars.

The preliminary budget will be posted on the Town's website.

D. COMMITTEE REPORTS

Councilor Arnett reported that he attended the most recent Cable Consortium meeting. The Consortium by-laws call for a 1% fee from each member community and the 1% is part of the cable franchise fee that each community receives. Last year the fee was reduced to .5% and they may do that again this year. However, they are also considering a proposal to develop a consortium-wide public access channel programming in conjunction with NESCOM and the community college. Councilor Arnett feels that there is not much zip in the consortium any more and said he would like permission to take this to the Communications Committee to discuss whether the Town should continue to be a member. Motion by Councilor Cushing, seconded by Councilor Arnett to forward this to the Communications Committee for review and to report back to the Council – unanimous vote in favor.

Councilor Arnett further reported that the Council met earlier this evening with SAD #22 officials regarding the proposed new high school. He noted that one of the issues they did not get to in the meeting was the reuse of the old facility. He noted that there have been some informal discussions regarding the reuse and pointed out that there may be some State rules and regulations that pertain to reuse of such a facility. He requested that Attorney Russell provide some research into whether there are any legal rules that govern that activity so that the Council and Comprehensive Planning Committee will have some idea of what the range of options are for SAD #22 and for the Town. Councilor Arnett stressed the importance of more communications between the two entities and feels it is important for staff planners to be involved.

Councilor Brann reported that the Comprehensive Planning Committee will receive a draft of the Comprehensive Plan at tomorrow's meeting for review. Copies will also go to the Town Manager and staff for review and then back to the Committee for any revisions. Next it will go to the Council for its consideration and then the public review process will take place during this summer.

Councilor Cushing reported that the Committee on Committees will meet at noon on Thursday, May 8th in the Council Chambers.

Councilor Cox reported that the Community Services Committee will meet tomorrow at 6:00 pm and will work on language regarding the Friends of Dorothea Dix and planning for the Arbor Day celebration on May 17th.

E. MANAGER'S REPORT

Manager Lessard reported that the Public Safety Awards Dinner has been rescheduled to May 20th.

The Hampden Business Association Dinner will be held on May 14th at 6:00 pm.

She reported that a paralegal student from Husson College has been working as an intern for the Town and has organized many old records and continued with the Town Clerk's project of indexing prior Council minutes back to 1991. She pointed out that the Town has faired well by utilizing area college interns and noted that Gretchen Heldmann will graduate with her Masters this weekend.

The new transfer station rules went into effect last week and Manager Lessard spent time at the transfer station to sell stickers on both Saturday and Sunday - she sold 45 stickers. The coming weekend will be the first weekend for accepting C & D under the new rules and there will be additional people on hand, including the Public Works Director.

Manager Lessard offered congratulations to Assistant Recreation Director Shelley Abbott who has been recognized by her peers and recently received the Young Professional of the Year Award from the Maine Association of Parks and Recreation.

F. COUNCILOR'S COMMENTS

Councilor Cox reminded everyone about the Hike for the Homeless on May 10th and the Stream Cleanup on May 17th. She further commented that she thought the meeting with SAD #22 officials was productive.

Councilor Cushing encouraged everyone to participate in the Hike for the Homeless and said he was looking forward to seeing a "sea of purple". He also congratulated Manager Lessard on receiving her degree from the University of Maine and noted that it shows her dedication to fulfill her pledge.

Councilor Arnett encouraged golfers to participate in the Hampden Children's Day golf tournament fundraiser on Saturday, May 17th.

Councilor Colford commented that he was at the pool this weekend and the children were really enjoying the recently refurbished seashell slide. He also suggested that it is time to look into putting in a restroom area outside the pool for use by those using the playground and recreational area.

G. ADJOURNMENT

There being no further business, the meeting was adjourned at 9:33 p.m.

Denise Hodsdon
Town Clerk

TOWN COUNCIL MINUTES**MAY 27, 2008**

A special meeting of the Hampden Town Council was held on Tuesday, May 27, 2008 for the purpose of holding a budget workshop on the proposed FY 2009 budget. The meeting was called to order at 6:00 p.m.

Attendance: Councilors: Mayor Rick Briggs, Edward Murphy, Thomas Brann, Andrew Colford, Matt Arnett and Shannon Cox. Andre Cushing was excused.

Town Manager: Susan Lessard

Department Heads/Staff: Town Assessor Vivian Gresser, Town Planner Bob Osborne, Public Safety Director Joseph Rogers, Lt. Ray Pipes of the Fire Department

Budgets for Social Services, Assessing & Planning, Public Safety, Police, Fire Department, Non-Department Utilities, Administration, Municipal Building, Tax Collector, Municipal Elections, Debt Service and General Assistance were reviewed line-by-line.

38-00 OUTSIDE AGENCIES

Heather McCarthy, Executive Director of the American Folk Festival requested that the Council consider making a pledge of support in an amount they felt was appropriate. She did not request a specific amount, but she informed the Council that approximately 16,500 people attended the festival last year and 4.5% of the attendees were from Hampden.

Motion by Councilor Arnett, seconded by Councilor Brann to appropriate \$300.00 to the American Folk Festival – unanimous vote in favor.

Kathy Bernier of Hammond Street Senior Center requested that the Council appropriate \$35.00 per member from Hampden, for a total of \$4,690.00.

Eileen McAvoy from Penquis CAP asked that the Council fund \$14,274.00 for Penquis' work in assisting Hampden residents. She provided a summary of services provided for Hampden families in 2007. Following discussion, Councilor Arnett moved to reduce this line item to \$13,500.00 – motion died for lack of a second.

Sharon Estey of Eastern Agency on Aging requested that the Council fund \$3,500.00 for the Meals for Me program for Hampden residents.

Community Health & Counseling and Bangor STD Clinic – No representatives from these agencies were present. Therefore, Councilor Cox moved and Councilor Colford seconded to reduce the line item for Community Health & Counseling to

\$2,152.00, the same amount as last year and reduce the line item for Bangor STD Clinic to zero – unanimous vote in favor.

Harmony Hall – Motion by Councilor Arnett, seconded by Councilor Colford to add a line item in the amount of \$250.00 for the renovations to Harmony Hall – unanimous vote in favor.

The new proposed total for Outside Agencies is \$25,416.00.

01-25 ASSESSING/PLANNING

No change was made to the proposed total amount of \$230,336.00.

05-05 FIRE DEPARTMENT

Public Safety Director Joe Rogers and Lt. Ray Pipes informed the Council that this budget as proposed includes an additional firefighter/paramedic position to complete the 24/7 coverage.

05-05-20-01 EQUIPMENT REPLACEMENT

Councilor Colford noted that the proposed amount of \$23,040.00 only replaces 4 SCBA air-packs and expressed concern that the department will still be using some older air-packs. Ray said the proposed replacement schedule is to buy 3 or 4 each year, but they do have the option to purchase 14 new packs and finance them over a 3 or 5-year period. The annual cost to finance over three years is \$26,892 and the cost for a 5-year term is \$16,861 per year.

Motion by Councilor Brann, seconded by Councilor Colford to purchase 14 packs now and finance the cost so it doesn't cost more than \$22,000 per year – unanimous vote in favor.

With the change to line item 05-05-20-01, the new proposed total amount for the Fire Department is \$872,488.00

05-01 PUBLIC SAFETY

No change was made to the proposed total amount of \$166,354.00.

05-01 POLICE

05-01-10-25 GAS/OIL/LUBE

Public Safety Director Joe Rogers requested that this line item be increased by \$3,000 to \$28,000. Motion by Councilor Colford, seconded by Councilor Arnett to increase the line item to \$28,000.00 – unanimous vote in favor.

With the above increase, the new proposed total for the Police Department is \$968,423.00.

05-03 NON-DEPARTMENT UTILITIES

No change was made to the proposed total amount of \$414,078.00.

01-01 ADMINISTRATION

The budget was reviewed line-by-line and no change was made to the proposed total amount of \$537,888.00. However, it was decided that the Finance Committee will conduct a review of the pay scale for the Town Manager position and a comparative wage and benefit study for all departments.

01-10 MUNICIPAL BUILDING

No change was made to the proposed total amount of \$119,857.00

01-15 TAX COLLECTOR

No change was made to the proposed total amount of \$6,000.00.

01-20 ELECTIONS

No change was made to the proposed total amount of \$12,963.00.

DEBT SERVICE

No change was made to the total amount of \$467,793.00.

40-10 GENERAL ASSISTANCE

No change was made to the proposed total amount of \$10,000.00

45-10 COUNTY TAX

No change was made to the total amount of \$586,820.00.

There being no further business the meeting was adjourned at 8:32 p.m.

Dear Sue:

The Department of Transportation received twenty-eight Transit Bonus certifications for a total of \$1,587,805.29. The total of qualifying certifications for reimbursement exceeded the \$610,397.00 in annual funding dedicated for the Transit Bonus Payment Program. Therefore, the funds will be apportioned according to the amount of each municipality's increase for qualifying expenditures.

- Amount available is 0.384% of the total request
- Hampden requested \$27,044; and will receive \$10,396 in FY 2009

The Transit Bonus Payment Program funds will be added and disbursed to the municipalities' allocated URIP amount for FY 2009 paid in the regular URIP process, and used for URIP purposes.

Please call 207 624-3239 if you have any questions regarding this letter.

Sincerely,

Susan Moreau

June 30, 2008

Dear Public Official;

As you are well aware, with the spiraling cost of heating fuels becoming evident, the upcoming fall and winter season will be challenging throughout the State of Maine.

Penobscot County EMA would like to suggest that each community start the process of identifying buildings or portions of buildings that may be used as "warming shelters." A warming shelter is a gathering place where people can come and have some coffee and get warmed up. Once Penobscot EMA is made aware of any open warming shelters, the American Red Cross is notified so that there may be additional resources deployed to that shelter.

I believe public officials at all levels must plan now to do what we can to allay fears, provide information and provide the points of contact. In no particular order of preference we think that, at a minimum, you should think about the following:

1. Contact names and numbers for the appropriate local officials and also Maine 211 who is conduit to all State Agencies.
2. Identify procedures by which people can request local public assistance along with any civic/church/private organizations that may be counted upon.

The above information should be readily posted at your town office, public areas such as retail stores, grocery stores and post offices if possible, provided by mail, phone, fax, church groups etc.

Please try to disseminate all information you believe to be factual as widely as you can. We will, as much as possible, try to reassure our taxpayers that we can all get through the times with each others help. As we begin our efforts, I look forward to working with you with any additional ideas that may be of some help.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tom Robertson', is written over a light blue horizontal line.

**RE: Circle K # 7057
Application for Victualer's License**

Dear Ms. Hodson:

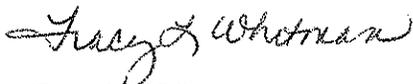

Enclosed for filing and submission with your office is the Application for Victualer's License for Circle K # 7057. I have also enclosed a check in the amount of \$50.00 to cover the fees associated with this application.

As background and information, Mac's Convenience Stores LLC dba Circle K, is acquiring several existing business locations from Irving Oil Corporation. We anticipate acquisition for all sites will occur in early July with a target closing date of July 14.

Once the application has been approved, please forward evidence of same as well as any associated permits or licenses directly to my attention for distribution to the business location.

Thank you very much for your assistance with these applications. If you should have any questions at all or need additional information, please contact me at 317-569-4884 or tracy.whitman@bakerd.com.

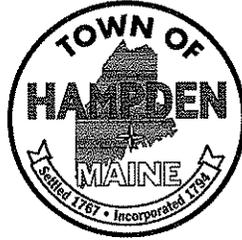

Kind regards,

Tracy L. Whitman

Re: Lots 13 and 15 in the Hampden Business & Commerce Park (the "Park"), as shown on the Plans recorded in the Penobscot County Registry of Deeds (the "Registry") in Plan Book 2007, page 112

Dear Mr. Austin:

Reference is made to that certain Declaration of Covenants, Conditions and Restrictions for the Hampden Business and Commerce Park dated October 7, 2002 and recorded in the Registry in Book 8503, Page 78, as amended by those certain Certificate of Amendments dated January 23, 2008 and recorded in the Registry in Book 11274, Page 328 (collectively, the "Declaration").

On behalf of the Town of Hampden (and its successors and assigns, the "Town"), the Declarant under the Declaration, I hereby confirm and certify to KR Properties, LLC the following:

1. I am the duly appointed Town Manager for the Town and am authorized to execute and deliver these confirmations and certifications to you;
2. The provisions set forth in Section 3.9(c) of the Declaration refer to the process by which the Town may exercise its right to repurchase unimproved lots in the Park as established in Section 3.9(b) of the Declaration, and is not a separate option to purchase unimproved or improved lots in the Park; and
3. Construction of the paved parking lot on Lot 13 in accordance with the site plan approved by the Town is sufficient under the Declaration to constitute an "improvement", as defined in the Declaration, and the timely construction of said paved parking lot on Lot 13, with no other improvements on said Lot 13, within the time frames established in Sections 3.9(a) and (b) is sufficient to terminate the Declarant's repurchase options for Lot 13 set forth in Section 3.9.
4. The certifications I have made to you in items 2 and 3 above are subject to confirmation of the same by the Hampden Town Council, which is scheduled to meet on July 7, 2008..

The undersigned understands that KR Properties, LLC, in reliance on the confirmations and certifications set forth herein, is purchasing Lots 13 and 15 referenced above for purposes of developing them together, and will invest substantial funds in developing the lots.

Very truly yours,

Town Manager

Hi Susan,

Attached is the bid for the tile work I would like to have done. This was the only bid that we received. I would like to proceed with this bid and set up the work for our shut down August 31 through September 6. Would you please put this on the agenda for the next council meeting? Do I need to come to the meeting?

I have also included a copy of the advertisement for the bid.

Thanks
Darcey

The questionnaire must be completed and returned in triplicate to the Architect, at the address above, on or before Wednesday, June 25, 2008 at 2:00 P.M. Contractors may submit Pre-Qualification questionnaires for either Phase I or Phase II or both. Indicate on the questionnaire whether you are seeking Pre-Qualification for Phase I or Phase II or both.

The Site Prep Phase I project consists of rough grading of approximately 9.5 acres and removal of approximately 9000 cy of existing fill and replacement of same with compacted structural fill. The General Contract Phase II project consists of construction of an approximately 89,000 s.f. two-story building, construction of athletic fields, and other associated site work. The approximate construction cost of Phase I is \$1,300,000 and of Phase II is \$15,900,000. There will be a filed sub-bid for Mechanical and Electrical in the Phase II bid. Bonds will be required of bidders for Phase I and/or Phase II.

Phase I bidding documents will be available no earlier than 7 July 2008 with notice to proceed anticipated no later than 11 August 2008.

Phase II bidding documents will be available no earlier than 14 August 2008 with notice to proceed anticipated no later than 18 September 2008 and substantial completion anticipated in September 2010.

Bid document information will be provided in advertisements to follow.

FINANCE COMMITTEE MEETING MINUTES
June 26, 2008

Attending:

- Chairman Tom Brann
- Councilor Andre Cushing
- Councilor Ed Murphy
- Sue Lessard, Town Manager
- Chip Swan, Public Works Director

The meeting was opened at 7 p.m. by Chairman Brann.

The first item of business discussed was the status of the long-term resident tax rebate program. The Town Manager indicated that she would be updating the eligibility list once the tax bills for 2009 were completed.

The Finance Committee discussed the itemized Sewer Capital proposals. Due to the money savings associated with doing the projects as one package rather than incurring three separate mobilization costs, as well as the seriously deteriorated condition of the sewer piping in the identified areas, it was the consensus of the Committee to recommend to the full council that Phases 1 - III be included on the November ballot for bonding in the amount of \$1.8 m. dollars.

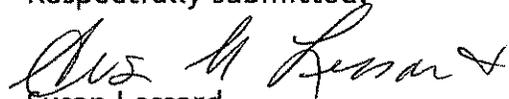

The next item on the agenda was a discussion of the salary of the Town Manager. After reviewing information from the MMA salary survey relative to communities in the 5,000 to 9,999 population group. It was the consensus of the committee to allow the Manager to move an additional step (5%) on the wage scale and to also allow the annual \$3,500 tuition/education funding to remain in the budget for use either for courses or professional development.

The Committee also looked over the proposed 5-10 year capital plan submitted by the Town Manager. The manager will prepare an updated plan that removes regular annual equipment purchases and that lists associated funding sources for the remaining items for the next meeting.

It is the plan of the Finance Committee to meet twice a month on its regular dates in order to continue work on the Capital Plan and the long-term resident tax rebate program.

The meeting was adjourned at 8:30 P.m.

Respectfully submitted,

Susan Lessard
Town Manager

Town of Hampden
Susan Lessard, Town Manager
106 Western Avenue
Hampden, ME 04444

Dear Ms. Lessard:

As you may be aware, Time Warner Inc. has recently announced plans to fully divest itself of its interest in Time Warner Cable Inc. The ultimate result of Time Warner Inc.'s divestiture of its interest in Time Warner Cable Inc. (the "Spin-Off") will be that Time Warner Cable Inc. will become entirely owned by public shareholders.

As a result of this transaction, there will be no transfer of the franchise and no change in local management or staff as a result of the Spin-off. In the next few days, you will be receiving a packet of information that will explain the Spin-Off in more detail. Following receipt of this information, you may choose to take no action or, if you wish to formally approve the Spin-Off, you may do so by placing the attached resolution on your council agenda for approval.

Following the Spin-Off, Time Warner Cable will continue to provide your residents, our customers, the excellent care and services we have always provided. Since acquiring the Adelpia systems in August 2006, Time Warner Cable has launched high speed data and digital phone service in over ninety percent of those acquired systems. In addition, upgrades are currently underway in the former Pine Tree systems which Time Warner Cable acquired in November, 2007. We are proud of our commitment to Maine and trust you will work with us to make the Spin-Off a seamless transaction for Time Warner Cable.

Please feel free to call me with any questions you may have. I will be happy to discuss this with you further.

Sincerely,

Shelley Winchenbach
Government Affairs Manager ME/NH

RESOLUTION NO. _____

**A RESOLUTION PROVIDING APPROVAL FOR THE
SPIN-OFF OF TIME WARNER CABLE INC.**

WHEREAS, Hampden, Town of, as (“Franchising Authority”) has granted a cable television franchise (the “Franchise”) to an entity (the “Franchisee”) which is a subsidiary or affiliate of Time Warner Cable Inc. (“Time Warner Cable”); and

WHEREAS, Time Warner Cable is a publicly-traded corporation, with approximately 84% of its common stock currently held indirectly by Time Warner Inc.; and

WHEREAS, Time Warner Cable and Time Warner Inc. have entered into an agreement to effect a complete separation of Time Warner Cable from Time Warner Inc. (the “Spin-Off”); and

WHEREAS, upon closing of the Spin-Off, one hundred percent (100%) of the stock of Time Warner Cable will be publicly traded; and

WHEREAS, Time Warner Cable and Time Warner Inc. have filed FCC Form 394 providing details regarding the Spin-Off; and

WHEREAS, the Franchising Authority wishes to grant its approval for the Spin-Off as described above.

**NOW, THEREFORE, BE IT RESOLVED BY FRANCHISING
AUTHORITY:**

- Section 1. The Franchising Authority hereby approves the Spin-Off.
- Section 2. Upon the closing of the Spin-Off, the Franchisee shall remain bound by the obligations under the Franchise.
- Section 3. This Resolution shall become effective immediately upon passage by the Franchising Authority.

PASSED, ADOPTED AND APPROVED this ____ day of _____, 2008.
