

Map Listing & Citation Information

1. Archaeological Resources

Source of Data: Maine Historic Preservation Commission.
Received from Elizabeth Trautman via email on 30 October 2008
Layers: hist_halfk, prehist_halfk, prehist_sens

2. Base Map

Source of Data: Town of Hampden.

3. Bridge Network

Source of Data: Maine Department of Transportation.
Downloaded on 19 August 2008 from Maine GIS Data Catalog at <http://megis.maine.gov/catalog/>
Layer: brdgs

4. Current Land Use

Source of Data: Town of Hampden land cover map.

5. Comparison of Current Zoning vs. Current Land Use

Source of Data: Town of Hampden land cover and zoning maps.

6. Current Zoning

Source of Data: Town of Hampden zoning map.

7. A Decade of Development

Source of Data: Town of Hampden.

8. Downtown Streets

Source of Data: Town of Hampden.

9. Farms, Forests, & Open Spaces

Source of Data: Town of Hampden.

10. Farmland Soils

Source of Data: U.S. Department of Agriculture, Natural Resources Conservation Service via Eastern Maine Development Corporation.
Received from Cindy Pellet via email on 10 April 2007
Layer: ssurgo
Available at <http://soildatamart.nrcs.usda.gov/>

11. Flood Zones

Source of Data: Federal Emergency Management Agency, Maine Office of GIS.
Town of Hampden received a CD from FEMA with data layers.
Layer: C23019P
Available at <http://megis.maine.gov/catalog/> as layer "firm"

12. Historic Resources

Source of Data: Town of Hampden.
National Historic Register locations geocoded by Gretchen Heldmann in 2009.

13. Hydric Soils

Source of Data: U.S. Department of Agriculture, Natural Resources Conservation Service via Eastern Maine Development Corporation.
Received from Cindy Pellet via email on 10 April 2007
Layer: ssurgo
Available at <http://soildatamart.nrcs.usda.gov/>

14. Labor Market Areas

Source of Data: Maine Department of Labor.
Downloaded on 21 August 2008 from Maine GIS Data Catalog at <http://megis.maine.gov/catalog/>
Layer: lma

15. Land Cover

Source of Data: Town of Hampden. Land cover information created by Prentiss & Carlisle from April 2006 0.5 foot resolution orthophoto.

16. Location

Source of Data: Maine Office of GIS.
Downloaded on 08 September 2006 from Maine GIS Data Catalog at <http://megis.maine.gov/catalog/>
Layer: metwp24
Downloaded on 11 May 2005 from Maine GIS Data Catalog at <http://megis.maine.gov/catalog/>
Layer: cnty24

17. Marine Resources

Source of Data: Maine Geological Survey.
Received from Stephen Dickson via mailed CD on 09 February 2009
Layers: cmge, cmge_Hampden
Available by contacting Maine Geological Survey
Source of Data: Maine Department of Environmental Protection.
Downloaded on 10 February 2009 from Maine DEP at <http://www.maine.gov/dep/gis/datamaps/>
Layers: Overboard Discharges, MEPDES Wastewater Facilities and Outfalls

18. Natural Resources Inclusive

Source of Data: Maine Department of Inland Fisheries and Wildlife.
Downloaded on 19 August 2008 from Maine GIS Data Catalog at <http://megis.maine.gov/catalog/>
Layer: eheagle
Other wildlife habitat provided in June 2006 by Beginning With Habitat program, information available at <http://www.beginningwithhabitat.org/>
Source of Data: Maine State Planning Office, Maine Natural Areas Program.
Downloaded in May 2005 from Maine GIS Data Catalog at <http://megis.maine.gov/catalog/>
Layer: wetchar

Source of Data: Town of Hampden. (Shoreland zones)

19. Natural Resources Regulatory

Source of Data: Maine Department of Inland Fisheries and Wildlife.
Downloaded on 19 August 2008 from Maine GIS Data Catalog at <http://megis.maine.gov/catalog/>

Layer: eheagle

Other wildlife habitat provided in June 2006 by Beginning With Habitat program, information available at <http://www.beginningwithhabitat.org/>

Source of Data: Town of Hampden. (Shoreland zones)

20. Proposed Land Use

Source of Data: Town of Hampden and other as already specified elsewhere.

21. Public Facilities & Recreational Resources

Source of Data: Town of Hampden.

22. Soil Suitability for Development

Source of Data: U.S. Department of Agriculture, Natural Resources Conservation Service via Eastern Maine Development Corporation.

Received from Cindy Pellet via email on 10 April 2007

Layer: ssurgo

Available at <http://soildatamart.nrcs.usda.gov/>

23. Topography

Source of Data: US Geological Survey, Maine Office of GIS.

Downloaded on 12 September 2008 from Maine GIS Data Catalog at <http://megis.maine.gov/catalog/>

Layer: contours

24. Trails

Source of Data: Town of Hampden.

25. Transportation Network

Source of Data: Maine Department of Transportation via Eastern Maine Development Corporation.

Received from Cindy Pellet via email on 13 August 2008

Layers: hcl-links-2000, hcl-links-2001, hcl-links-2002, hcl-links-2003, hcl-links-2004, hcl-links-2005, hcl-links-2006, hcl-nodes-2000, hcl-nodes-2001, hcl-nodes-2002, hcl-nodes-2003, hcl-nodes-2004, hcl-nodes-2005, hcl-nodes-2006, MDOT2006

26. Water Resources

Source of Data: Maine Office of GIS.

Downloaded 18 March 2005 from Maine GIS Data Catalog at <http://megis.maine.gov/catalog/>

Layer: medrdvd

Source of Data: Maine Department of Conservation, Maine Geological Survey.

Downloaded on 28 July 2006 from Maine GIS Data Catalog at <http://megis.maine.gov/catalog/>

Layer: aquifer_polygons

Source of Data: Maine Department of Human Services, Maine Drinking Water Program.

Downloaded on 10 October 2008 from Maine GIS Data Catalog at <http://megis.maine.gov/catalog/>

Layer: wells

27. Wetlands

Source of Data: Town of Hampden land cover map.

All other data layers depicted on maps but not specified or described in detail in above list are town-generated data digitized from April 2006 orthophotography including but not limited to: state roads, town roads, private roads, railroads, unimproved roads, bridges, pipelines, land cover, streams, lakes, ponds, wetlands, and impervious area. If multiple maps contain the same data layer, the data layer will be cited under its primary map. Example: aquifers are cited under Water Resources but are also depicted on other maps. Questions may be directed to the Town of Hampden's GIS/IT Specialist, Gretchen Heldmann by calling 207.862.4500

Disclaimer

All GIS information from the Town of Hampden is provided as a copy of a public record in accordance with the Maine Freedom of Access Act. The Town of Hampden, and its officers, officials, employees, contractors, or agents, make absolutely no representation or warranty concerning the information, or its use for any purpose whatsoever. Any use or dissemination of, or reliance on, the information shall be at the sole risk of the recipient. Please be advised that once the information has been provided by the Town to the initial recipient, it is no longer a public record within the control of the Town, and the information may be altered or manipulated by others.

*A note on lot selection:
 Residential lots that are larger sized are marked because
 they were either pre-existing and in the last ten years
 had a house built on it or they were a large acreage
 split off of another lot. All other small lots are
 residential subdivisions.
