- c. Agenda for Public Safety Citizen Advisory Committee meeting on November 17, 2016 at 6 PM
- d. Letter from Maine Municipal Employees Health Trust regarding 2017 Health Trust Rate Changes – November 4, 2016
- e. MaineDOT Public Notice regarding meeting on November 15, 2016 regarding work on I-95 Overpass on Newburgh Road/Shaw Hill Road
- f. Letter from Goodwill Riders Snowmobile Club, October 21, 2016
- g. Letter from Code Enforcement Officer Myles Block regarding changes in building permit requirements effective 11/2/16 – October 4, 2016

4. REPORTS

- a. Planning & Development Committee Minutes – Sept. 21st, 2016
- b. Finance & Administration Minutes – October 3rd, 2016
- c. Infrastructure Committee Minutes – August 22nd, 2016
- d. Services Committee Minutes – None

C. PUBLIC COMMENTS - *None*

D. POLICY AGENDA

1. NEWS, PRESENTATIONS & AWARDS – *Mayor Ryder stated that he wanted to use this opportunity to thank the Town Clerk and all staff and election workers for their hard work at the polls. He has heard positive comments that for as busy as it was, things went very smoothly.*

2. PUBLIC HEARINGS

- a. Proposed amendments to Outdoor Facilities Ordinance to prohibit "vaping" in public parks – *Mayor Ryder opened the Public Hearing at 7:07 p.m. Manager Jennings reported that of the examples given, option 1 was recommended by the Recreation Department. This amendment would have the effect of adding the definition of electronic smoking devices to the smoking section. There was no public comment. The public hearing closed at 7:12 p.m. Councilor Marble made a motion to approve the amendment to the Outdoor Facilities Ordinance as recommended by the Recreation Director. Councilor Sirois seconded the motion. Mayor Ryder, Councilor Sirois, Councilor McPike, Councilor Wilde, Councilor Marble and Councilor McAvoy voted in favor of the motion. Councilor Cormier voted in opposition. Motion carries.*

3. NOMINATIONS – APPOINTMENTS – ELECTIONS –

- a. Council vote for MRC Board of Directors – *Mayor Ryder reported that the Council has endorsed Chip Reeves for the MRC Board of Directors.*

4. UNFINISHED BUSINESS – None.

5. NEW BUSINESS

- a. Re-endorsement of Emera TIF Credit Enhancement Agreement to correct scrivener's error – *referral from Planning & Development Committee – Mayor Ryder reported that it was discovered that there was a wrong end date in the agreement, but that it was just a typographical error that needs to be corrected. Councilor McAvoy made a motion to authorize the Town Manager to correct the end date error. Councilor Wilde seconded the motion. Unanimous vote in favor.*
- b. Request for up to \$11,000.00 (Option 1) or up to \$8,800.00 (Option 2) from Police Cruiser Reserve for vehicle equipment including Watchguard video camera/recording system – *referral from Finance & Administration Committee – Councilor Sirois explained that this was discussed in Finance & Administration committee with Chief Rogers. The request for funding is to purchase and transfer equipment from one vehicle to another and for video equipment in the fourth cruiser. Councilor Sirois made a motion to authorize the expenditure of \$9,310.94 out of the Police Cruiser Reserve account for the purpose of purchasing and transferring equipment as recommended by Chief Rogers. Councilor McAvoy seconded the motion. Unanimous vote in favor.*
- c. Requests from Municipal Building Reserve for \$129.00 for repair to security screen at Administration customer service desk; and \$158.00 for repair to the Fire Station garage door; and for \$288.00 for lock repairs – *referral from Finance & Administration Committee – Councilor Sirois reported that this was discussed in Finance & Administration Committee. Councilor Sirois made a motion to authorize the expenditure of the stated amounts out of the Municipal Building Reserve account for the intended purposes as requested. Councilor McAvoy seconded the motion. Unanimous vote in favor.*

MINUTES

- d. Request for \$704.81 from Matching Grant Reserve funds for local match to MMA Safety Enhancement Grant for Portable LED Scene Lighting with chargers – *referral from Finance & Administration Committee – Councilor Sirois reported that the Department of Public Safety was awarded a safety grant to purchase portable LED lights for dark space situations. The request is for the matching share of the grant. Councilor McPike made a motion to authorize the expenditure of \$704.81 out of the Matching Grant Reserve account for our share of the grant. Councilor McAvoy seconded the motion. Unanimous vote in favor.*
- e. Contract award: Sidney Boulevard culvert (to be paid from FY17 Stormwater Management, Contracted Services) – *referral from Finance & Administration Committee – Councilor Sirois reported that the bid tab was reviewed in Finance & Administration committee with a recommendation to award the bid to Gardner Construction for the amount of \$22,620.00. Councilor Sirois made a motion to award the bid for the Sidney Boulevard culvert repair to Gardner Construction in the amount of \$22,620.00. Councilor McAvoy seconded the motion. Unanimous vote in favor.*
- f. Contract award and request for authorization of up to \$10,000 in funding from the Recreation Reserve fund for topographic survey of Lura Hoyt Pool and Municipal Building site – *referral from Finance & Administration Committee – Mayor Ryder explained that further study is needed on the third bid that was received and this agenda item would need to be put on hold until the meeting on 11/21.*
- g. Contract award and request for authorization of up to \$15,000 in funding from the Emera TIF fund for electrical repairs to Town Center lights – *referral from Finance & Administration Committee – Mayor Ryder explained that since DPW Director Currier is on vacation, the award of this bid needs to be put on hold until 11/21 so that Council can get his input and recommendation. As a point of clarity, Councilor McAvoy made a motion to table agenda items D.5.e and D.5.g until 11/21 and to vote these two items as a block. Councilor Marble seconded the motion. Unanimous vote in favor.*
- h. Resolution endorsing updated Penobscot County multi-jurisdictional hazard mitigation plan – *referral from Finance & Administration Committee – Councilor Sirois explained that this is a plan developed for Penobscot County as a whole, and not specific to a single town. Finance & Administration committee recommended the update for approval. Councilor Sirois made a motion to endorse the updated Penobscot County multi-jurisdictional hazard mitigation plan. Councilor Wilde seconded the motion. Unanimous vote in favor.*

MINUTES

- i. Review of Town Council meeting schedule, November – December 2016 – *referral from Finance & Administration Committee – Manager Jennings informed the public that in December the Planning & Development Committee meeting will be moved from the 7th to the 12th. Services Committee meeting will be moved from the 12th to the 7th. Finance & Administration committee will start at 6:30 p.m.*
- e. COMMITTEE REPORTS -
- Finance & Administration – Councilor Sirois stated that the items discussed in Finance & Administration were discussed tonight.*
- Planning & Development – Councilor McPike reported that items discussed were the Business Park TIF, The Services Agreement with Sargent Corporation and of adding a use table into the Zoning Ordinance. The Town Planner is also working on home occupations within the ordinance, and they are both a work in progress. He also reported that impacts to the recent referendum on legalizing marijuana, the committee is beginning to prepare for regulation of its use.*
- Infrastructure – Councilor Marble reported that this committee has not met since the last Council meeting*
- Services – Councilor McAvoy reported that this committee also has not met since the last Council meeting but that there is one on the 15th.*
- f. MANAGER'S REPORT – *Manager Jennings summarized points from his written report, attached to these minutes as Exhibit A. He noted that all local bond referendums passed. The Route 1A construction project will not begin until 2018, therefore borrowing will not take place until that time. The two sewer related bonds will be nearer term. As to the State referendums, Question 1 is a work in progress with Planning & Development. Question 2 will mostly effect the Recreation Department and he is working with the Director to determine the best approach to this increase in the minimum wage which is effective January 1st. Question 5 is likely not to be implemented until 2018. The Town Clerk explained that the Secretary of State's office expects legal challenges to the referendum. Upon the resolution of any challenges, legislative leadership will have to look at changing the Maine Constitution in order to comply. Manager Jennings further reported that the auditor will be here on the 22nd and 23rd.*
- g. COUNCILORS' COMMENTS -
- Councilor McAvoy – Commented that he was proud of Hampden for its 78% turn out for voting at the election, and that he heard of no issues. He also reminded everyone to shop local and buy American.*
- Councilor Cormier – No comment*
- Councilor Marble - No comment*
- Councilor Wilde – No comment*
- Councilor McPike – No comment*

Councilor Sirois – No comment

Mayor Ryder – No comment

- h. ADJOURNMENT – *Councilor Sirois made a motion, seconded to adjourn at 7:30 p.m. Unanimous vote in favor*

Respectfully Submitted,

Paula A. Scott, CCM
Town Clerk

TO: Town Council
FROM: Angus Jennings, Town Manager
DATE: November 14, 2016
RE: Town Manager's Report to Town Council meeting

This report is intended to provide brief updates regarding current matters of potential interest that are not otherwise addressed on the Council agenda.

Election Results and Potential Effects on Hampden

On Tuesday, November 8, the Town Clerk certified 4,532 votes from the Town of Hampden, which included 1,973 absentee ballots filed. This represents 78% of Hampden's 5,786 registered and enrolled voters, which includes 332 new voter registrations processed on November 8.

Each of the three local ballot questions passed, and my office is working with Bond Counsel on the next steps related to financing infrastructure improvements on Route 1A, Hampden's share of improvements to the Bangor Wastewater Treatment Plan, and borrowing to pay past due sewer charges to the City of Bangor. There will be an update on these financing items at the November 28 infrastructure meeting, and at a Finance Committee meeting in December.

Statewide, voters approved three ballot questions that can be expected to have a direct impact on Hampden:

The approval of Question 1 will legalize recreational use of marijuana. The language in the ballot question defines five categories of associated land uses: retail marijuana store; retail marijuana social club; retail marijuana cultivation facility; retail marijuana products manufacturing facility; and retail marijuana testing facility. At its meeting this Wednesday November 16 at 6 PM, the Council's Planning & Development Committee will discuss whether to proceed with regulation or prohibition, in Hampden, for each of these five uses. Once recommendations are developed in the coming weeks and months, it is anticipated that ordinance amendments will be advertised for public hearing. The Town Planner is leading this work, in coordination with my office, public safety, and code enforcement.

The approval of Question 4 will increase the state minimum wage to \$9.00/hr in 2017, with annual increases for each of the subsequent years. This will most directly affect the Recreation Department, which relies heavily on part-time staff. I am working with the Recreation Director

and Assistant Director to evaluate how this change will affect costs for the remainder of the FY17 budget year. We are working to bring forward information for consideration by the Finance Committee at their meeting on November 21. In order to maintain current staffing, programs and staff to participant ratios, I anticipate recommending increases in user fees in order to absorb these unbudgeted costs. Alternatively, the Finance Committee may direct staff to evaluate means of balancing the budget based on reduced staffing and/or programs, and/or increased staff to participant ratios. My office is consulting with our State House delegation and with MMA Legal Services to ensure we understand when these changes will take effect.

The approval of Question 5 will introduce ranked choice voting. The Maine Attorney General has advised that an amendment to the Maine Constitution (approved by a 2/3 vote of the legislature and by voters at a statewide referendum) would be required in order to enact this as law. The earliest that ranked-choice voting would occur would be 2018, and that will depend on whether a Constitutional Amendment is approved. The Secretary of State's office will have primary responsibility for determining how this law would be enacted, and the Town Clerk is tracking new information on this issue as it becomes available.

Citizens interested in receiving updates on any of these items should contact the Town Offices.

VICTUALER'S LICENSE CERTIFICATE

No. 16-18

MUNICIPALITY OF HAMPDEN, MAINE

To all whom these presents may concern: Date: Oct 18, 2016

KNOW YE, that Hannaford Bros., doing business as Hannaford Supermarket & Pharmacy has been duly licensed as a Victualer at 77 Western Ave in the Municipality of Hampden by said Municipality until 10/23, 2017, and has paid to the Municipal Treasurer the fee of One hundred Dollars (\$100.00).

Myles T. Blawie
Authorized Municipal Officer CODE ENFORCEMENT OFFICER

he or she received a legal tax warrant (*Thorndike v. Camden, supra*); the municipality itself has no power, apart from statute, to control him or her in those duties or to relieve him or her in case of neglect; and, finally, the collector's liability becomes fixed, and he or she becomes personally responsible for all taxes committed to him or her in respect to which he or she has not exhausted all authority to enforce payment, after the time allotted for their collection. *Gorham v. Hall, supra*.

In sum, the collector should be bonded adequately to provide for the faithful performance of his or her duties. Faithful performance requires that the collector exhaust his or her authority within the time allotted. If this does not happen, the bond should be enforced.

Resignation of Tax Collector

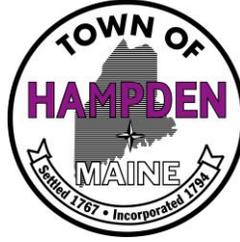

The specific instances in which a tax collector is permitted by statute to resign are found in 36 M.R.S.A. §§ 763, 764, 765 and 899. Those sections have just been described and discussed under the concept of settlement. The main rule that emerges from those statutes and case law is that a collector has no legal right to resign. Although sound reasons may lead a collector to tender his or her resignation, the decision to accept it is solely up to the municipal officers. **In no case should a resignation be accepted until an accurate accounting has been made showing the taxes collected and the taxes outstanding.**

It should be noted that once a collector resigns and the resignation is accepted, no one has the legal authority to act as collector until a new collector is appointed (even on a temporary basis) and the outstanding taxes are committed to him or her for collection. Deputies of the former collector would have no authority to act until appointed as deputy by the new collector.

Recommitment

The municipal officers may recommit outstanding taxes to a new collector if the new collector is willing to accept the uncertainty of whether the amount of taxes outstanding is correct. However, the State Auditor recommends that a new collector **not** accept a recommitment unless there are reconciled balances.

TO: Town Council

FROM: Angus Jennings, Town Manager

DATE: November 17, 2016

RE: Appointment of Tax Collector and General Assistance Administrator

We received nineteen applicants for the Tax Collector position. Three candidates had relevant municipal experience, including two candidates with more than twenty years of municipal experience including as Tax Collector, Motor Vehicle Agent, etc.

We interviewed the three candidates, and conducted second interviews with two finalists. Participants in the interview process included Finance/HR Officer Tammy Ewing and outgoing Tax Collector Cheryl Johnson.

On the basis of the applications and interviews, I have extended an offer of employment to Barbara A. Geaghan. Barbara currently works in Belgrade as the Town Clerk, Dep. GA Director and Motor Vehicle Agent, where she has served for four years. She previously worked for three years in Skowhegan as the Dep. Tax Collector, Motor Vehicle Agent and Assistant Town Clerk. Prior to that she worked for fourteen years in Canaan, where she served as Tax Collector, Town Clerk and Motor Vehicle Agent. Barbara's experience is directly in line with our needs, and in her interviews her commitment to quality work, customer service and public service was evident. This was borne out by reference checks.

Pursuant to the Town Charter Article III, Sec. 301, the appointment of this position is subject to confirmation by the Town Council. My offer to Barbara was contingent upon Council confirmation and successful completion of a background check (which has been completed successfully).

Upon confirmation, Barbara is prepared to begin work in Hampden on December 12. This will provide two weeks of overlap prior to Cheryl's retirement on December 22. This time will be important to transfer institutional knowledge, as well as to reconcile tax collections for the purpose of recommitment of outstanding amounts for which the new Collector will be responsible.

TAX COLLECTOR AND GENERAL ASSISTANCE ADMINISTRATOR

JOB DESCRIPTION

Reports to: Town Manager
Supervises: N/A
Position Grade: 15

Reporting: Direct Report to Town Manager

The position of Tax Collector/G.A. Administrator involves administrative, supervisory, and specialized clerical work in addition to program operation of a highly sensitive and confidential nature according to Local, State, and Federal policies, ordinances, regulations, and laws.

Responsibilities include:

Tax Collector-

This position shall have the primary responsibility as Tax Collector for the Town of Hampden including but not limited to the following duties:

- Supervise collection of and collect taxes
- Prepare annual Tax Bills
- Set up and operate annual Tax Club Program
- Process 30-day notices, liens, foreclosures, discharges and maintain appropriate tax files
- Process abatements/supplementals as necessary
- Run monthly tax/lien reports, reconcile to General Ledger
- Assist Auditors with year-end tax information
- Maintain all Real Estate, Personal Property billing/payment records
- Assist Taxpayers/mortgage holders/Title companies with billing/payment questions, information requests and problems
- Transfer responsibility to Treasurer when taxes reach lien status. Assist Treasurer with delinquent payment arrangements and foreclosure list for Council action
- Prepare annual budget for Tax Collector

Motor Vehicle Agent-

This position shall have the primary responsibility as Motor Vehicle Agent for the Town of Hampden and shall maintain all inventory, file all reports including Rapid Renewal, and resolve questions as necessary. This position shall also have the responsibility of insuring that any and all training required for Town personnel in regard to motor vehicle registration is up-to-date, and disseminating rule change information to employees as well.

General Assistance Administrator

This position is responsible for the operation and recordkeeping of the Town General Assistance Program including but not limited to the following duties:

- Hold regular office hours
- Interview clients
- Research applications for completeness and eligibility
- Prepare/maintain documentation for client files
- Prepare information for Fair Hearings as necessary
- Prepare annual budget request for department
- Prepare monthly State General Assistance
- Reimbursement request
- Prepare monthly Council report of G.A. activity
- Serve on Local Food Cupboard Board

Deputy Town Clerk

This position shall also serve as Deputy Town Clerk and shall include but not be limited to the following duties:

- Assist with Elections, as needed
- Backup for Town Council meeting recording to cover vacations, illnesses
- Document signatures on vital record issuances in the absence of the Clerk

Other Responsibilities-

- Counter work: Assisting customers in the issuance of licenses, permits, registrations as necessary. This is a shared responsibility with other administrative personnel.
- Telephone: Assisting customers/routing calls to appropriate personnel or taking messages as necessary. This is a shared responsibility with other administrative personnel.
- Cash up: Assist with cash up of daily receipts on a rotating basis with other administrative personnel.
- Special Projects: Assist Town Manager or other staff with projects
- Cross train in Accounts Payable, cross train others in tax collection, G.A., Motor Vehicle Agent work
- Notary Public

Desired Qualifications

- Experience as a Municipal Tax Collector/Deputy Tax Collector and/or Treasurer
- Experience as a General Assistance Administrator
- Experience as a designated Motor Vehicle Agent
- Strong Customer service skills
- Computer proficiency
- Willingness to attend training as available
- Bondable

RE: Recommendation of contractors

Lura Hoit Topographic Survey Bid

We received three proposals for this work (attached). Public Works Director Currier is on vacation this week and will return next Monday. Due to the technical nature of the proposals, I am recommending that we table vendor selection until the next Council meeting on Monday, November 21. We have a meeting schedule Monday morning and will make a recommendation that evening.

Upon vendor selection, I am requesting Town Council authorization of up to \$10,000.00 from the Recreation Reserve fund to allow us to execute an agreement and proceed with the work.

Town Center Lighting Bid

We received two proposals for this work (both attached). Public Works Director Currier is on vacation this week and will return next Monday. Due to the technical nature of the proposals, and the fact that both proposals exceed the \$15,000.00 cost we had used for budgeting purposes, I am recommending that we table vendor selection until the next Council meeting on Monday, November 21. We have a meeting schedule Monday morning and will make a recommendation that evening.

Re: ALTERNATE SCOPE: Topographic Survey of Municipal Building and Pool Site

Dear Mr. Jennings:

CES, Inc. (CES) appreciated the pre-bid meeting on November 8 and offer the following alternate scope that is meant to stay within the budgetary guidelines discussed.

Please see the attached exhibit showing areas where existing LIDAR data will be used and ground survey will be conducted. We will ground truth the LIDAR on the open areas (20 ground points will be captured). We will also use existing information we have on planimetric features for the Town Office Site and the Lura Hoit Pool Site.

We propose conducting a ground survey on the area labeled "Ground Topo" on the attached exhibit. The area is approximately 23 acres. Our survey crew will conduct a survey creating two-foot contours in this area and we will use the LIDAR data to create one-foot contours on the existing Town Office Site and the Hoit Pool site. We propose being on site for 7-8 days.

CES feels this alternate approach will help you meet your goals, as this project is still very much in its "preliminary" stage.

DELIVERABLES

All inclusive of LIDAR (one foot contouring of open areas from available Lidar), a ground survey of 23 acres projected to NAD83 Zone 19N, NAD 83 datum. Two hard copies printed to 24" 36", spatial data provided in both PDF and ArcGIS Shapefile format.

IMPLEMENTATION

CES proposes to start field work on or near November 28, 2016 and complete field work by December 16, 2016. We plan on delivering our product on or before Dec. 21, 2016.

COMPENSATION

CES proposes the above described tasks for a **LUMP SUM FEE of \$9,800.00.**

We look forward to working with you on this project and moving it along in a timely manner for you. If you have any questions concerning this proposal or if additional services are needed, please feel free to contact us at (207) 989-4824. We appreciate this opportunity to be of service to you.

Sincerely,
CES, Inc.

RE: RFP – Topographic Mapping of 106 & 146 Western Avenue, Hampden, Maine

Dear Mr. Jennings, Town Manager and Town Staff:

Based on your bid package, our discussion last week, your most recent email with possible planned project, and my site visit, I propose a phased scope of work to map critical ground features prior to snow and leave wooded areas for mapping with possible snow cover and extended budget. Phase 1: Map Pool Area (6.6 acres) ~ \$5,100; Phase 2: Map Town Office/Post Office Area (5.7 acres) ~ \$4,700; Phase 3 map remaining open and wooded areas (25 acres) ~ \$9,900. This service will include establishing temporary benchmarks (NAVD88) at or near each site and we will tie into previous work. A CAD file and SHP (UTM19N, USFT) will be emailed to you or your development associate. Our services will be provided on a time-and-materials basis. That is, we will invoice you for the hours actually worked and charge you for the cost of materials required to complete the survey. My surveyor hourly rate is \$65 and mileage is \$0.54. If necessary, advanced surveying system (RTK GPS or robot) is \$500 per day.

We will not exceed the amount of this estimate without your prior authorization. In the event that information developed during the course of our work indicates a need for revising the estimate, we will contact you immediately with an explanation.

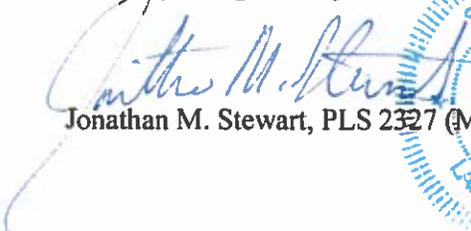

We do not require a deposit. Our bi-monthly invoices are due and payable upon presentation unless you have requested other arrangements. Unless other arrangements have been made, unpaid balances remaining after 30 days from our invoice date will incur a service charge of one percent per month.

The services provided are solely for the benefit of the parties named in this agreement and are not intended to benefit any other person or entity. The limit of our professional liability is the total amount of fees and expenses paid for the services rendered under this agreement. A greater amount of liability coverage is available upon request for an additional fee.

On the basis of information now available, we believe that we can begin Phase 1 within 2 business days and complete all Phases within 25 business days of authorization to proceed, please sign and return copy. We will advise you of any changes necessitated by unanticipated interruptions caused by weather or unavoidable schedule changes.

Sincerely, Plisga & Day, c/o

Reviewed and agreed upon,

Jonathan M. Stewart, PLS 2327 (ME)

Hampden, ME 04444

Re: Bid Form Deviations

Dear Mr. Jennings:

The letter lists our deviations and assumptions for our alternate bid form. Our proposal consists of the following:

1. We will use the fall 2008 Hampden Academy photos for the 1' and 2' contouring for the majority of the site. Based on our previous conversation with the Town, we have determined that this imagery will be suitable since not much has changed from 2008 until now. The north side of Western Avenue is **assumed to be** the same as it was in 2008.
2. We will also use the stereopairs (6" ground sample distance) from the 2014 Maine Ortho imagery program to fill-out the northerly remainder of the 2' contour area that is not covered by the 2008 photos.
3. Based on the mapping limits provided in the RFP, and Google Earth, the two 1' contour areas enclose about 6 acres each. The 2' contour area encloses about 28 acres. The total mapped area will be about 40 acres.
4. Six new photo control points will be surveyed by Shyka, Sheppard & Garster Surveyors to supplement the older photo control.

KAPPA will provide 50' mapping for the entire site. The two 6 acre sites will have 1' contours, and the remaining 28 acres will have 2' contours. The fee for this mapping will be **\$9150** including the six additional photo control points. The mapping will be delivered in electronic PDF and ArcGIS shapefile formats. No orthophoto is included in this price. **This estimate and our Base Bid Price does not include field verification, nor obscured area fill-in. Nor does it include any additional on-the-ground surveying services such as pipe line easement location.**

We can see from Google Earth and the ME Ortho imagery that there will be scattered obscured areas. We will attempt to fill some of these areas in with publically available LiDAR data. These filled in areas will be labeled as such. However, up to 30% of the 40 acres could be obscured. Shyka, Sheppard & Garster (SS&G) Surveyors are available for field fill-in work if needed. Their rates are \$3500 for two days of field work and associated office work. Additional field days would be charged at \$1200/day. KAPPA

6 State Street, Suite 301 / Bangor, ME 04401
207-942-5200 / 866-836-8834 toll free

and SS&G can better determine the additional surveying charge once KAPPA maps the area using existing 2008 and 2014 imagery, and the publically available LiDAR.

The projection will be UTM Zone 19N (NAD83), with units of US Survey Feet. Elevations will be in NAVD88.

We agree to the Town's General Information for Bidders. Please note that we can start this project right away.

As of 11/11, we have another project this fall where we are acquiring LiDAR in the greater Bangor area. It is possible that we could add this project to the initial project, leading to a cost-effective alternative for contour generation. Let us know if you would like us to pursue this avenue further.

We appreciate this opportunity to provide the Town with our Bid and Qualifications.

Sincerely,

TO: Town Council and Hampden Residents
FROM: Angus Jennings, Town Manager
DATE: October 17, 2016
RE: Statement regarding due diligence for potential fields at Lura Hoit Pool site

Following the vote of the Town Council at its October 3 meeting, my office plans to undertake or oversee the following next steps:

1. Prepare work scope and solicit bids for topographic survey of Lura Hoit Pool site.
2. Based on review of applicable regulations of MaineDEP, Army Corps of Engineers, and others (as applicable), prepare work scope and solicit bids for engineering support as needed for the preparation of documents needed for permitting.

Both of these steps will be needed in order to get permitted to add any impervious surface (i.e. parking) to the site.

Upon completion of these processes, I anticipate bringing forward recommendation of specific vendors along with requests for Council allocation of reserve funding consistent with purposes authorized in the approved budget. Due to the time it will take to complete this work, as well as the competing demands on staff time, I expect that completing these bid processes may take two months or more. Once an engineering firm is retained and the DEP permitting process is underway, DEP has advised that their permitting process could take six months or more.

No site work will take place until specifically authorized and funded, and until my office signs a contract for work.

We will continue to provide periodic updates on this initiative and, in the upcoming Town Manager newsletter, will share information regarding what is under consideration and how Hampden residents can share their opinions, ideas and concerns.

This statement is intended to clarify for Hampden residents that no changes to the site are imminent, and that any future changes, if any, would follow deliberation and votes within public meetings.

Request for Bid Proposals

Topographic Survey of Municipal Building and Pool Site

The Town of Hampden is seeking bid proposals for topographic survey of the Town-owned site at 106 and 146 Western Avenue which includes the Municipal Building, the Lura Hoyt Pool, athletic fields and undeveloped land. The Scope of Services including a layout plan of the site is attached to this Request for Bid Proposals.

Prospective bidders who wish to view the project prior to bidding are invited to attend an optional **pre-bid meeting** on Tuesday, November 8, 2016 at 11:30 AM at the Municipal Building Conference Room, 106 Western Avenue, Hampden, ME.

Prospective bidders may submit written questions regarding this Request for Bid Proposals to the Town Manager on or before Wednesday, November 9 at noon. Questions may be submitted at the Municipal Building, Monday through Thursday from 7:30 AM until 6 PM, or via email to townmanager@hampdenmaine.gov. The Town will prepare written responses to all questions received, and will provide responses in an Addenda to all prospective bidders that participate in the pre-bid meeting, or who notify the Town Manager in writing that they wish to be considered a prospective bidder.

Sealed bids, clearly marked "Bid Proposal: Topographic Survey" must be received no later than Monday, November 14 at 8 AM addressed to:

Town Clerk
Town of Hampden
106 Western Avenue
Hampden, ME 04444

A Statement of Bidders Qualifications (Attachment A) must be submitted with the Bid Proposal. All bids shall be submitted on the bid form supplied by the Town (Attachment B). Any bid received after the date and time of opening will be rejected and returned unopened to the bidder. Bids may not be submitted by email.

Bidders shall adhere to items specified in General information to bidders, attached.

Bids will be publicly opened at the Hampden Municipal Building Conference Room at 8 AM on Monday, November 14, 2016. Bids shall include a statement of proposed price to complete the work including sufficient detail for the Town to understand the basis of the costs, as well as any assumptions or limitations. Exceptions to the specifications are to be listed separately, attached to and submitted with Bidder's proposal.

The Town Manager shall recommend a vendor and budget to the Finance Committee and the Town Council. Upon Council authorization of budgeted Reserve Funds, to be proposed at the meeting on November 14 at 7 PM, the Town Manager will execute a contract with the selected vendor and will schedule the work.

Prior to execution of a contract, the contractor must provide proof of workers compensation insurance, and of liability insurance with a \$400,000 minimum coverage, and shall provide a certificate naming the Town of Hampden as additionally insured.

The Town of Hampden reserves the right to accept or reject any or all bids.

Project Scope of Work

Topographic Survey of Municipal Building and Pool Site

The subject property is Hampden Assessors Parcel 09-0-018 located at 106 and 146 Western Ave. (Online GIS mapping at <http://www.axisgis.com/hampdenme/>). A map of the project locus is attached as Exhibit 1.

Project Deliverables:

- Survey location and dimensions of all site features including but not limited to, buildings, pavement, striping, utility poles, manholes, catch basins, hydrants, obscured area boundary, playground features, athletic equipment, continuous tree lines, individual trees over 2" in diameter not associated with tree lines, pipe line easement, etc.
- Provide 2' contours for the portion of the site indicated in Exhibit 1 (approx. 25.8 acres).
- Provide 1' contours for the portion of the site indicated in Exhibit 1 (approx. 6.6 acres for Pool area; approx. 5.7 acres for Town Offices/Post Office area).
- Spatial data collected to be provided electronically in PDF and ArcGIS shapefile format, in addition to two (2) hard copies printed to 24" x 36". Projection: NAD83 Zone 19N. Datum: UTM.

For aerial survey, proposal must specify number of photo control points. Also, field verification and obscured area fill-in to obtain 2' contours shall be included in bid price.

Project Timeline:

The Town wishes to initiate this work as soon as practicable, with the goal of completing survey work prior to first snow and delivery of project deliverables soon after. If completion this fall proves impossible due to weather, work will be completed as soon as practicable thereafter.

Addendum #1 to Request for Bid Proposals

Topographic Survey of Municipal Building and Pool Site

An optional **pre-bid meeting** was held on Tuesday, November 8, 2016 at 11:30 AM at the Municipal Building Conference Room, 106 Western Avenue, Hampden, ME. The following is a list of questions asked at the meeting, and responses from the Town:

Q. Is a survey of the property boundary part of the Scope of Work?

A. No.

Q. Why is the Town seeking topographic survey rather than relying on 2010 LIDAR data?

A. The Town is at the conceptual planning stage for potential additional development (parking and possible recreational fields) on the site. Looking ahead to DEP permitting and the need to ensure compliance with stormwater regulations (through installation of BMPs, etc.), and to potential site design and development, it will be important to have accurate topographic survey in order to measure cuts and fills, etc.

Q. What is the budget for the project?

A. Funding will be provided from the Recreational Reserve account, which was budgeted for this purpose. Although there is no established budget for this phase of work, our goal is to award a contract for not more than \$10,000.00. Proposals should specify whether the complete scope can be completed for this budget. If a proposal states that the entire scope is not achievable within the budget, the proposal should propose what portion of the scope can be completed for this budget, and what changes to scope are proposed to maintain budget (such as reduced geographic extent of survey; supplement of some portions of survey with existing LIDAR data instead of survey; postponing a portion of the scope until a later phase, including specifying which portion is proposed to be postponed, etc.

The Town will respond to any additional questions if they are received in writing by noon today, November 9, 2016. Questions may be submitted at the Municipal Building, Monday through Thursday from 7:30 AM until 6 PM, or via email to townmanager@hampdenmaine.gov. The Town will prepare written responses to all questions received, and will provide responses in an Addenda to all prospective bidders that participate in the pre-bid meeting, or who notify the Town Manager in writing that they wish to be considered a prospective bidder.

TOWN OF HAMPDEN

PUBLIC NOTICE

TOWN OF HAMPDEN NOTICE OF PUBLIC BID

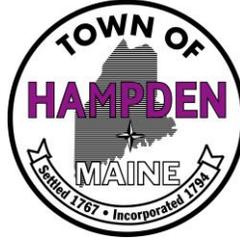

The Town of Hampden, Maine will receive sealed proposals for Holiday Lighting Electrical Repairs. Proposals are required to be submitted to the Hampden Town Office, located at 106 Western Avenue, Hampden, Maine 04444, on or before November 9, 2016 at 1:15pm, at which time all bids will be publicly opened. A bid tab will be documented and presented at the next regularly scheduled Council meeting, on November 14, 2016, at which time the winning bid will be awarded.

Request for Proposals, Specifications and the Contract Documents, are available at the Hampden Town Office at 106 Western Avenue, Hampden Maine 04444. Questions regarding this RFP may be directed to Sean Currier, Director of Public Works by calling 862-3337.

DATE: November 17, 2016

RE: Recommendation of contractors

Lura Hoit Topographic Survey Bid

We received three proposals for this work (attached). Public Works Director Currier is on vacation this week and will return next Monday. Due to the technical nature of the proposals, I am recommending that we table vendor selection until the next Council meeting on Monday, November 21. We have a meeting schedule Monday morning and will make a recommendation that evening.

Upon vendor selection, I am requesting Town Council authorization of up to \$10,000.00 from the Recreation Reserve fund to allow us to execute an agreement and proceed with the work.

Town Center Lighting Bid

We received two proposals for this work (both attached). Public Works Director Currier is on vacation this week and will return next Monday. Due to the technical nature of the proposals, and the fact that both proposals exceed the \$15,000.00 cost we had used for budgeting purposes, I am recommending that we table vendor selection until the next Council meeting on Monday, November 21. We have a meeting schedule Monday morning and will make a recommendation that evening.

Att: Sean Currier, Public Works Director

Re: Holiday Lighting Electrical Repairs - Extended Bid Due Date: November 14th, at 9:00AM
Bidder's Qualifications, and Preliminary Work Schedule

Dear Sean:

This letter is to outline ELCO Electric's qualifications to perform the above project, and to briefly discuss the work schedule, as requested by the bidding instructions included with the above Request for Proposals.

Qualifications - ELCO Electric has been in the electrical construction and electrical contracting business for 35 years, all of those years headquartered in Bangor, Maine. We have completed many large and small commercial and industrial electrical related projects for customers throughout the State of Maine. The largest of these electrical projects was a new USAF hospital and dental clinic at Loring AFB, with an electrical subcontract value of \$3.2 million dollars (1987 completion). The most recent major electrical project performed by ELCO was the new Corinth Elementary School, with an electrical subcontract value of \$1.85 million dollars (2016 completion). Also in 2016, ELCO Electric completed an LED lighting retrofit project at the Edith Dyer Library for the Town of Hampden, with a contract value of \$19,267.00. ELCO Electric is operating under State of Maine Electrician's license #MS60018961 (Irving Crocker), as electrical companies are no longer licensed as Master Electrician Companies.

Work Schedule - Based upon the coordination required for ELCO to perform the proposed work on the utility owned poles, and the requirement for Emera crews to de-energize and re-energize the municipal street lighting circuits each day (to allow ELCO crews to safely tap the proposed new Christmas decoration wiring to the existing municipal street lighting circuit), the entire work schedule is subject to the availability of Emera crews to respond in a timely way to our daily requests for street lighting circuit outages each day. Assuming there are no delays caused by lack of availability of Emera crews due to weather, or other circumstances, we offer the following tentative schedule for your consideration:

(continued)

November 14, 2016

Re: Town of Hampden
Holiday Lighting Electrical Repairs

Work Schedule:

<u>Date</u>	<u>Activity</u>
11/14	Bids received by Town of Hampden
11/15	Contractor is awarded project and issued Notice to Proceed
11/15	Electrical parts are ordered by Contractor. Estimating parts delivery by 11/21/16
11/21	Meet & discuss pole placement and bracket height. Measure poles for mast lengths
11/21-29	Pre-fabricate conduit mast assemblies, including custom length conduit masts, pull wire into conduit mast, attach disconnect switch, and WP GFI to mast
11/28-12/2	Remove existing conduit masts and receptacles from poles, install new pre-fabricated assemblies on poles, and reinstall existing decoration brackets on utility poles, while the municipal street lighting circuit has been de-energized daily. Power outages on the street lighting circuit coordinated with Emera crews, weather permitting.
12/5-12/9	Continue with installation of prefabricated assemblies on utility poles
12/12-16	Make-up days lost to inclement weather during previous 2 weeks (if necessary), and Install decorations once all new wiring on poles is complete

Please call if you have any questions, concerns, or if you require additional information.

We look forward to your favorable consideration.

Very Truly Yours,
ELCO Electric

Paul E. Philbrick, President

Request for Proposals Holiday Lighting Electrical Repairs

Note:

Proposals shall include this form as well as items listed on page 3. Failure to submit all requested materials may result in disqualification of proposal. The costs listed below will be used to calculate value for the completed work. The deadline for submittal of proposals is 1:15 PM, Wednesday, November 9, 2016.

<u>Item #.</u>	<u>Estimated Qty.</u>	<u>Pay item/units</u>	<u>Total Price</u>
1.	1 LS	Mobilization	\$ <u>3,035.00</u> /LS

Per lump sum (\$ 3,035.00)/LS

-Includes but not limited to the cost of initiating the contract, general contract admin., procuring insurance and bonds, permits or fees, moving equipment, equipment rental/usage, supplies, materials to the site, utility coordination, and all incidentals.

2.	18 EA.	Remove existing electrical service and mounting bracket for holiday lights	\$ <u>6,012.00</u>
----	--------	--	--------------------

Per Each Pole (\$ 334.00)/EACH

- Includes but not limited to removal of existing mounting bracket, conduit, weatherhead, wire, outlet, and all hardware associated with existing electrical service and mounting bracket for holiday lights.

3.	18 EA.	Install new GFCI receptacle, mounting bracket and associated hardware to supply 120V power including mounting the Holiday Lights.	\$ <u>23,940.00</u>
----	--------	---	---------------------

Per Each Pole (\$ 1,330.00)/EACH

- Includes but not limited to reinstalling existing mounting bracket, new mc rigid conduit, weatherhead, wire, GFCI outlet, weatherproof box, and all hardware associated with the installation of a new electrical service for holiday lights. Refer to drawing #2719 in Appendix B for details.

All unit amounts and totals shall be shown above. Total project bid amount to be shown below and should be checked against individual totals.

Total Project Bid \$ 32,987.00

PROJECT:

(Name, location or address, and Project Number, if any)

Holiday Lighting Electrical Repairs
Hampden, ME 04444

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

HOLIDAY LIGHTING ELECTRICAL REPAIRS

REQUEST FOR PROPOSAL

October 28, 2016

Town of Hampden
106 Western Avenue
Hampden, Maine 04444

Phone: (207) 862-3337
Fax: (207) 862-5067
email: Publicworks@hampdenmaine.gov

Request for Proposals Holiday Lighting Electrical Repairs

Introduction:

The Town of Hampden, Maine invites sealed proposals from qualified, Maine licensed electricians to provide services for the replacement of approximately 18 weatherproof GFCI electrical outlets on existing utility poles along Western Avenue and Main Road South in Hampden. Refer to the "Scope of Services" for additional information.

All work must be completed by December 2, 2016.

Submission of Proposals:

Please submit one (1) original copy of the proposal in the sealed submission.

To be considered, return the sealed proposal, including all pertinent items listed in Scope of Services, in an envelope CLEARLY marked "Holiday Lighting Electrical Repairs" by 1:15 PM, Wednesday, November 9, 2016 to the Hampden Town Office located at 106 Western Avenue, Hampden Maine 04444. Contractor shall include license and qualifications for the work.

General Information:

By submitting a response to this solicitation, the bidder acknowledges the responsibility for adhering to the Town of Hampden's "General Information to Bidders" available at the Hampden Town Office (also supplied with this bid package).

Questions:

All questions shall be written and directed to Sean Currier, publicworks@hampdenmaine.gov no later than Friday, November 4, 2016. The Town will issue addenda if necessary in response to any questions or inquiries for clarification of the project. All addenda will be issued to bidders receiving a Request for Proposal packet. Acknowledgement of addenda received will be required as part of the proposal (enclosed in the sealed envelope) by the CONTRACTOR. A copy of the Bidder's Addendum Acknowledgement Form is included in Appendix A, Bid Form.

Background:

The Town is soliciting a Maine licensed electrical CONTRACTOR to replace and install new metal conduit and weatherproof GFCI electrical outlets on approximately 18 existing utility poles in Hampden. Each outlet shall have a separate disconnect and be placed at the same height above ground (if possible) on all poles. All wiring, materials and installation must meet all applicable State, Local and Federal electrical codes as well as current EMERA standards of construction.

Scope of Services:

- Contractors shall submit the bid form included as Appendix A. Plans and details are attached in Appendix B. Individual pole numbers will be given to Contractor awarded bid. Site location map is included in Appendix B.

The CONTRACTOR may visit the project site with Town personnel to confirm the locations of proposed work and to discuss the specific scope of work required. In addition, the scope of services includes, but is not limited to:

- Provide a designated project manager and contact person.
- Provide for approval by the Public Works Director, all submittals on materials to be supplied and/or installed on the project.
- Obtain all necessary permits and permissions of pole owners.
- Coordinate all work with respective utility companies with services on the existing poles.
- Confirm location of all existing utilities in the field and provide any conflicts (elevation or otherwise) to the Public Works Director upon discovery.
- Coordinate with Emera for disconnect / reconnect of power to all respective utility poles.
- Coordinate with any utility pole owners if not owned by Emera.
- Remove all existing electrical conduit, outlets, weatherheads etc. that are in place for lighting holiday fixtures.
- Remove and reinstall 18 brackets for holiday light fixtures at similar elevations.
- Install new mc rigid conduit, wire, weatherhead, brackets, service disconnect and GFCI receptacle in a weatherproof enclosure. All installation of materials shall follow Emera detail drawing #2719 attached in Appendix B.
- Install 18 Holiday Light fixtures on brackets and plug in to new GFI outlet with the assistance of Hampden Department of Public Works (DPW). Light fixtures shall be provided and delivered to site by DPW, installed by CONTRACTOR.

All work within project limits must be completed by December 1, 2016.

Instructions to bidders

The following provides a general description of information required in the proposals and the format to be followed. Proposers must furnish all information requested and follow the instructions as noted herein. Proposers shall ensure that all information required herein be

submitted with the proposal. Additional useful information pertaining to the Scope of Services or Contract Terms and Conditions is appreciated and should be included in the bid.

Proposal Organization:

1. Work Schedule:

The proposal shall include a work schedule and a brief description of the methods and resources bidder will employ to accomplish the project.

2. Additional Items:

In addition to the Contractor General Qualifications, the following must be provided:

- a. **Bid Security:** Each bidder must submit with the bid a certified check, bid bond or cash in the amount of 5% of his/her total bid price as his/her guarantee that the bidder will enter into the Contract, if awarded. Said check, bid bond or cash will be returned to all except the two (2) lowest bidders immediately following the opening of the bids, and the remaining sureties will be returned after the Owner and Contractor have executed the Contract. If the Contract has not been awarded within thirty (30) days of the bid opening, the surety will be returned at any time thereafter to any bidder requesting, so long as they have not been notified of the acceptance of the bid.

Incurring Costs:

All costs incurred in the preparation and submission of a proposal will be borne by the Bidder.

Preparation:

Before submitting a proposal, all prospective bidders are encouraged to review the proposal documents, specifications, visit the site of the project and review any site complications that may exist.

The Town, its employees, or agents shall not be held responsible for information received.

All items submitted in support of the proposal will become part of the contract.

Modification, Amendments or Withdrawal of Proposals:

Proposals may be modified or withdrawn in person or by written notice at any time prior to the specified closing date and time. Proposals may be withdrawn in person only by an authorized representative of the Bidder. If a Bidder desires to change a proposal already submitted, the change may be made by a signed letter that refers to the solicitation by title and must be received at the place designated prior to the date and time specified for the bid opening.

In the event an amendment to this solicitation is issued, all stated terms and conditions will remain in effect unless they are specifically changed by the amendment. Proposals shall include acknowledgment of all amendments or be subject to rejection.

All signatures on proposals, amendments or related correspondence must be by persons who are authorized to contractually bind the Proposer/Bidder.

Proposal Acceptance:

The Town will select the proposal which is most appropriate, beneficial and advantageous to the Town.

Selection:

Selection Criteria: Each proposal will be evaluated according to the following criteria:

1. The qualifications and experience of the individual(s) who will be performing the work.
2. The availability and capacity of the proposer to perform the services required.
3. The cost of the services offered.
4. The ability to meet the schedule.
5. The availability of materials, supplies or items solicited.

Rejection of Proposals:

The Town of Hampden reserves the right to reject any and all proposals received and to waive any informality, technical defect or clerical error in any proposal as the interest of the Town may require.

Award of Contract:

The contract will be awarded by the Town to the Bidder best able to perform the services requested. All proposals shall remain firm for sixty (60) calendar days after the bid opening.

Warranty Period:

All work must be guaranteed by the CONTRACTOR for a period of one (1) year from the date of substantial completion, or the date that the utilities are placed in service.

October 18, 2016

To: Angus Jennings
From: Sean Currier
Subject: 544K Front End Loader Payment from Reserve Request

As discussed in FY16 with the Infrastructure Committee, the lease for the existing John Deere 544K loader was at the end of the contract. It was determined that replacing the existing JD Loader with a new leased machine was the best option since it is the most important and widely used piece of equipment in the Public Works fleet.

A new JD 544K loader lease agreement was entered in to with Nortrax in May 2016 with the funds budgeted in FY17 from the Public Works Equipment reserve fund (03-171-00). This equipment is under factory warranty for 5 years.

I would like to recommend payment to Nortrax in the amount of \$20,978.40 for the first of (5) five lease payments.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "S Currier", is written over the typed name.

Sean Currier

INFRASTRUCTURE COMMITTEE MEETING
Wednesday, February 17, 2016

MEETING MINUTES

Attending:

Councilor Dennis Marble, Chair
Mayor David Ryder
Councilor Terry McAvoy
Councilor Greg Sirois (arrived 6:15)

Councilor Stephen Wilde
Councilor Ivan McPike
Councilor Mark Cormier
Town Manager Angus Jennings
Rich Armstrong, Goodwill Riders
Snowmobile Club

Chairman Marble called the meeting to order at 6 PM.

- 1. MINUTES – 1/13/2016 Meeting** – *Motion by Councilor McAvoy, seconded by Councilor McPike to approve the January 13, 2016 minutes. Unanimous (6-0) vote in favor.*

- 2. OLD BUSINESS**

- a. Penobscot HVAC proposal for Redlink thermostat** – *Manager Jennings provided background regarding the bids provided to allow for remote control of the Town Building HVAC systems in coordination with work, previously approved, to improve the air handling system. Councilor McPike asked about staffing responsibility to manage the system. Manager Jennings said that the DPW Director is the Facilities Manager, and that other staff who will be trained on the system will include the Manager, the IT Specialist, and Rozemary Bezanson. Manager Jennings reported that this work would be funded out of the Municipal Building Reserve Account. Motion by Councilor Wilde, seconded by Mayor Ryder to refer the proposal to Finance Committee with a recommendation for approval. Approved 6-0.*

Councilor McPike said he'd like to see an operational list showing staffing responsibility for HVAC operations.

- 3. NEW BUSINESS**

- a. Goodwill Riders Snowmobile Club request for increased funding** – *Rich Armstrong made a request that the Town provide more funding to support their work to maintain and improve the Town's snowmobile trails. He noted that the Town receives \$6.63 per snowmobile registration, and over time has provided \$1,000 to the Club annually. He'd like to see a greater share of that revenue in order to offset their costs, noting that*

they've built 5 bridges, put a roof on an out building, and completed regular trails maintenance. Councilor Marble asked whether the Town incurs costs associated with snowmobile registration. Manager Jennings said that the amount of fees retained by the Town would offset the costs of staff time to process registrations. The total amount received in FY15 was \$2,654 of which \$1,000 was paid to the Club.

(Councilor Sirois arrived).

Councilor Marble suggested that an increase to \$2,000 this year may be appropriate. Motion by Councilor Wilde, seconded by Councilor McAvoy to recommend that the Finance Committee increase this year's payment to \$2,000. Approved 7-0. Mayor Ryder suggested that this expense should be included in the Town's Buildings and Grounds budget.

- b. DEP memo, MS4 Plan Year 2 Annual Report; update on Town response (due 3/1) –** *Manager Jennings summarized the work by the Town's Stormwater Working Group to prepare the response to DEP's questions regarding the Town's Year 2 MS4 (stormwater management) Annual Report.*
- c. Update on condition of sewer lines at Ammo Park, meetings with Maine Ground Developers –** *Manager Jennings reported on the results of recent inspections and test borings which showed that a privately installed sewer line at Ammo Park was not built to specification and would need to be replaced in order to be considered for public acceptance. DPW is continuing to work with the landowner toward resolution of this issue.*
- d. Inclusion of industrial flows toward Hampden's purchased capacity of 1.5 MGD at Bangor WWTP –** *Manager Jennings reported that DPW Director Currier has received an opinion from the Bangor Wastewater Treatment Plant that the flows generated by industrial uses such as what is proposed by MRC/Fiberight will count toward the Town's purchased capacity of 1.5 million gallons per day under the terms of the Interlocal Agreement. Infiltration and inflow into the sewer system also contributes to the overall sewer flows that are recorded at the municipal boundary, which factors into the treatment charges the Sewer Fund is responsible for. DPW will continue to track sewer flows on an ongoing basis.*
- e. DPW front-end loader, request to purchase vehicle at end of current lease –** *The Committee discussed the DPW Director's recommendation, included in the meeting packet, to sign a lease for a new front-end loader and to include a grapple bucket to expand capacity to manage construction debris at the Transfer Station. There was discussion about the configuration of the Transfer Station, and how this could assist with internal circulation. Councilor Cormier asked if the same equipment could*

be leased for less money. Mayor Ryder said that the same quality John Deere machine would have comparable costs elsewhere. Motion by Councilor Wilde, seconded by Councilor Sirois, to support the lease and to include these payments and the cost of the grapple bucket in future budgeting.

4. PUBLIC COMMENTS – None.

5. COMMITTEE MEMBER COMMENTS – *Councilor Wilde asked whether estimates were available for the cost of culvert replacements at Sucker Brook in the vicinity of Triangle Road and Old County Road. He said they have rusted through, and Mayor Ryder agreed that DPW will look at what needs to be done.*

There being no further business, the meeting was adjourned at 7:28 PM.

Respectfully submitted –
Angus Jennings, Town Manager

MEMO

To: Angus Jennings
From: Kyle Severance
Date: 11/8/16
Re: IT Reserve Purchase Request – Website Refresh – 03-711-00

Message:

The purpose of this memo is to request approval to fund a refresh of the current Town of Hampden website – www.hampdenmaine.gov. A website refresh is done to give the site a more modern look, easier functionality, provide better mobile device compatibility, and to make sure all the information is correct. The last time our website was refreshed was in 2007. According to GovOffice (our webhosting provider), most local governments do a refresh every 5 or 6 years.

So far, in preparation for a refresh, I have met with GovOffice twice at the two previous MMA Technology Conferences. After reviewing various sites and pulling in staff members responsible for updating the website we selected a design we would recommend following for the new site – please see FIGURE 1 for a screenshot of the site. I also gathered pictures of Hampden from a local professional photographer. Please find examples of the pictures in FIGURE 2. I'm currently going through the complete site map to determine who is responsible for each section of the website.

Staying with GovOffice is recommended due to the staff familiarity with administrating the site, ease of use, and included unlimited support.

The one time cost for the favored redesign would normally be \$6395, but GovOffice has a 3-year payment plan option that I feel is a much better deal. We currently budget \$1800 per year in the communications budget for GovOffice annual web hosting. The cost per year for the payment plan would be \$2975 and includes the web hosting. We also get a refresh for no additional cost at the end of the three years if renewing the contract.

\$2,975 is being requested from the IT Reserve budget 03-711-00 to be used for the first year payment to refresh the www.hampdenmaine.gov website through the hosting company GovOffice.

Questions and/or suggestions are welcomed. Thank you for your consideration,

Kyle Severance
GIS/IT Specialist, Town of Hampden

The Town of Hampden hereby ordains that the following Tree Ordinance be enacted.

**ARTICLE I.
PURPOSE**

1.1. Purpose. It is the purpose of this ordinance to promote and protect the rural character and ecological health of the Town of Hampden's landscape and further protect the health, safety and general welfare of its residents, by providing guidance for, and where appropriate, the regulation of the planting, maintenance, and removal of trees, shrubs, and other plants within the Town.

**ARTICLE II.
AUTHORITY**

2.1. Authority. Pursuant to the provision Title 30-A M.R.S. Sections 3001 and 3280-3281 and the Charter of the Town of Hampden, Article II, Section 212, and Article III, Section 302, there is hereby established a tree ordinance to be organized, administered and governed in accordance with the following provisions.

**ARTICLE III.
APPLICABILITY**

3.1. Applicability. This ordinance provides full power and authority over all trees, shrubs and other plants within street rights-of-way, parks and public places of the Town; and to trees, shrubs and other plants located on private property that constitute a hazard or threat as defined herein.

**ARTICLE IV.
DEFINITIONS**

4.1. Definitions. Unless specifically defined below, words and phrases used in this Ordinance shall have the same meaning as they have at common law and to give this Ordinance its most reasonable application. Words used in the present tense include the future, the singular number includes the plural, and the plural number includes the singular. The word "may" is permissive; "shall" is mandatory and not discretionary.

Abutter- One whose property touches or adjoins along a border of another person's property as defined herein.

Drip Line- An imaginary, vertical line that extends from the outermost tips of the tree branches to the ground.

Person- Any individual, firm, partnership, association, corporation, company, organization, or entity of any kind.

Property Owner- The person owning such property as shown by the Town of Hampden's tax assessor records, unless proof to the contrary is available.

Public Property- Includes all property owned, leased, or occupied by the Town of Hampden or any of its administrative agencies or departments, or any property on which the Town is the holder of a conservation easement.

Public tree, shrub, or other plant- All trees, shrubs, or other plants now or hereinafter growing in any street or road right-of-way, park, town forest, or other public property.

Right of way - The strip of public or private land subject to a right to traverse and on which facilities such as streets, utilities and drainage conveyances are built.

Street or Road- The entire width of every public way or right-of-way when part thereof is open to the use of the public, as a matter of right, for the purposes of vehicular or pedestrian traffic.

Street Tree- Any tree located or planted within the right-of-way of a street or road.

Threat or hazard- A threat or hazard is that which constitutes an infringement on public health or safety by a tree, shrub, or other plant that is located on public property or rights-of-way or located on private property that is adjacent to a public area or right-of-way.

Topping- The severe cutting back of limbs to stubs larger than three inches in diameter within a tree's crown to such a degree as to remove the normal canopy and disfigure the tree.

Town Forester- The designated official of the Town assigned to carry out the enforcement of this ordinance.

Treelawn- That part of a street or highway right-of-way, not covered by sidewalk or other paving, lying between the property line and that portion of the street or highway usually used for vehicular traffic.

Large Trees- are those tree species that habitually attain a height of forty-five feet or more.

Medium Trees- are those tree species that habitually attain a height of thirty to forty-five feet.

Small Trees- those tree species that habitually attain a height of less than thirty feet.

ARTICLE V. HAMPDEN TREE BOARD AUTHORITY AND POWER

5.1. Authority and Power. The Hampden Tree Board is hereby created and established. The Board shall consist of a minimum of five members, appointed by the Town Council. It is preferred that members be residents of the town, that one member be a licensed professional forester or have education/experience in forest resources, that one member be a licensed arborist or have education/experience in arboriculture, and that one be a member of the Town of Hampden Conservation Commission. The Town Forester shall serve as an ex-officio member of the board.

ARTICLE VI. TERM OF OFFICE

6.1. Term of Office. The term of the members shall be for three years, except that the term of the members approved to the first Board shall be as follows: three members shall be appointed for two years, and two members shall be appointed for three years. In the event that a vacancy shall occur during the term of any member, a successor shall be appointed for the unexpired portion of the term. Members may renew their membership upon re-appointment by the Town Council.

ARTICLE VII. DUTIES AND RESPONSIBILITIES

7.1. Public Area Tree Plan. It shall be the responsibility of the Board to study, develop, update annually, and administer a written plan for the care, preservation, pruning, planting, replanting, removal or disposition of trees and shrubs in parks, along streets within the public right of way, and in other public areas.

7.2. General Forest Plan. The Board shall similarly study, develop, and update annually a general forest plan with non-regulatory guidelines and recommendations for the care, preservation, pruning, planting, replanting, removal or disposition of trees and shrubs on private lands with the intent of preserving the rural character and ecological health of the Town. These documents will be presented annually to the Town Council and upon their acceptance and approval shall constitute the official comprehensive tree plan for the Town of Hampden, Maine.

7.3. Research and Education. When requested by the Town Council, the Board shall investigate and report upon any matter coming within the scope of its work. The Board also may initiate such actions itself, as it deems appropriate. The Board shall promote and assist in the dissemination of information, for the purpose of public education related to the Town's comprehensive tree plan and the standards and guidelines therein. The Board shall be involved in the selection of the Town Forester.

ARTICLE VIII. OPERATION

8.1. Operation. The Board shall choose its own officers, develop its own bylaws, and maintain a public record of its proceedings. A majority of the members shall be a quorum for the transaction of business. Members shall serve without compensation.

ARTICLE IX. LANDSCAPING

9.1. Landscaping. The Board will assist with the development of new ordinance sections relating to landscaping and in new subdivisions or other new developments, which shall be included in the Town Subdivision Ordinance and Zoning Ordinance. As part of the review process for site plan and subdivision proposals, the Tree Board shall review landscaping plans for pending applications and may make written comments and/or suggestions to the planning board concerning the adequacy of the plans under this ordinance and the comprehensive tree plan and program.

ARTICLE X. TOWN FORESTER

10.1. Town Forester Established. The position of Town Forester is hereby created. The Town Forester shall be appointed by the Town Manager and be a person skilled and trained in municipal arboriculture, and shall hold a college degree or its equivalent in arboriculture/ornamental or landscape horticulture, urban forestry, or other closely related field. The Town Forester shall hold a current license from the State of Maine in either arboriculture or forestry. The Town Manager initially may delegate the duties and responsibilities to qualified existing staff and/or contract with qualified professionals to provide services in a timely and professional manner.

10.2. Oversight Responsibilities. The Town Forester shall, in concert with the Tree Board, oversee all forest management and urban tree care for the Town. It shall be the duty of the Town Forester to ensure compliance of all contractual agreements entered into by the town for work done in accordance with the terms of this ordinance. The Town Forester shall ensure that a current management plan is on file for all town forest parcels, and that an inventory and care plan of all street trees is created and maintained. At the discretion of the Town Forester and the Tree Board, additional inventory and management plans of trees, shrubs, or other plants may be conducted. The Town Forester shall provide administrative support to the Tree Board as requested.

10.3. Enforcement Responsibilities. The Town Forester shall also enforce the rules and regulations of this ordinance and the annual plans as developed by members of the Tree Board and approved by the Town Council.

10.4. Ex-officio Member of Tree Board. The Town Forester will serve on the Tree Board as an ex-officio member.

ARTICLE XI. UTILITIES

11.1. Utilities. Street Trees shall be planted in a manner so as to not create conflict with overhead utility wires, or any underground water line, sewer line, transmission line or other utility. These guidelines may be modified dependent upon specific circumstances, subject to approval of the Town Forester.

ARTICLE XII. PUBLIC TREE, SHRUB, AND OTHER PLANT CARE

12.1. Planting, Maintenance and Removal of Public Trees. The Town shall have the right to plant, prune, maintain and remove trees, shrubs and other plants within the right-of-way of all roads, streets, alleys, avenues, lanes and squares, as well as all parks, town forests, and other public property grounds, as may be necessary to ensure public safety or to preserve or enhance the symmetry and beauty of such public grounds.

12.2. Removal of Public Trees in Unsafe Condition. The Tree Board or Town Forester may remove, cause or order to be removed, any public tree or part thereof which is in an unsafe condition or which by reason of its nature is injurious to sewer, electric power lines, gas lines, water lines, or other public improvements, or is affected by an injurious disease, insect or other pest. This section does not prohibit the planting of Street Trees by adjacent property owners providing that the selection and location of said trees is in accordance with the approved comprehensive town tree plan.

12.3. Protection of Public Trees During Construction Activities. Persons working construction in the Town of Hampden shall provide protection for public trees by erecting a temporary snow fence on the drip line of any such trees on the site of or that could be negatively affected by any excavation, construction or street work and care shall be taken that injury does not occur either above ground to trunk or limbs or compaction or smothering of roots occur below ground. No person shall deposit or store any machinery, stone, brick, soil, metal, concrete or similar materials which may compact soil or impede the free passage of water and air to the roots within the area of the drip line. The Town Forester may waive these requirements in extenuating circumstances.

12.4. Protection of Public Trees From Excavation Activities. No person shall excavate any ditches, tunnels, trenches, or lay any drive within the dripline of any public tree without first obtaining written permission from the Town Forester. This rule may be superseded if the project is approved and permitted by the State Department of Transportation.

12.5. Protection of Public Trees From Alteration, Removal and Injury. Under no circumstance shall any person cut, carve, transplant, top, tip or remove any public tree, shrub or other plant; attach any rope, wire, nails, advertising posters, or other contrivance to any such tree; allow any gas, liquid or solid substance which is harmful to trees, shrubs or other plants to come in contact with them; or to set fire or permit any fire to burn when such fire or the heat thereof will injure any portion of any tree, shrub or other plant.

**ARTICLE XIII.
REMOVAL OF STUMPS**

13.1. Removal of Public Stumps. All stumps of street and park trees and shrubs shall be removed below the surface of the ground so that the top of the stump shall not project above ground level.

Notwithstanding this requirement stump removal in rural forested areas of the Town is at the discretion of the Town Forester and Tree Board.

**ARTICLE XIV.
DISTANCES FROM CURB, SIDEWALK, AND DRIVEWAYS ON PUBLIC PROPERTY**

14.1. Separation Between Trees and Public Ways. The distance trees may be planted from curbs or curblines, driveways and sidewalks shall be enough so as not to create damage to infrastructure or impede the health of the tree as determined by the Town Forester.

**ARTICLE XV.
DISTANCES FROM STREET CORNERS AND HYDRANTS**

15.1. Separation Between Trees and Corners No tree, shrub or other plant shall be within 30 feet of any road intersection or street corner, measured from the point of nearest intersecting curbs or curblines, if it constitutes a safety hazard. The purpose of this restriction is to ensure public safety by prohibiting the planting of vegetation that may impede or obstruct sightlines.

15.2. Separation Between Trees and Fire Hydrants. No tree, shrub or other plant shall be planted closer than ten feet of any fire hydrant.

**ARTICLE XVI.
PRIVATE PROPERTY OWNER RESPONSIBILITIES**

16.1. Maintenance Required. Every property owner shall maintain trees, shrubs or other plants on the owner's property so as to prevent a threat or hazard as defined herein.

16.2. Threat or Hazard. A tree, shrub or other plant located on privately owned property shall be deemed a threat or hazard if it, or any part of it, by reason of its condition and in the professional judgment of the Town Forester: is likely to fall onto adjacent public ways or public property; or is not pruned to a height of 14 feet above the traveled portions of the public ways and eight feet above public sidewalks.

**ARTICLE XVII.
PRUNING FOR VISIBILITY/ REMOVING OBSTRUCTIONS**

17.1. Pruning. The Town shall have the right to prune or remove any tree, shrub or other plant if and when, in the opinion of the Town Forester, Public Works Department, or Public Safety Director, it interferes with visibility of any traffic control device or intersection, or interferes with pedestrian or vehicular traffic, or impedes or obstructs sightlines. A clearance of fourteen feet above street surface or eight feet above the sidewalk surface shall be maintained.

17.2. Modification of Guideline. This guideline may be modified dependent upon specific circumstances, subject to approval of the Town Forester.

**ARTICLE XVIII.
INTERFERENCE WITH TREE BOARD AND TOWN FORESTER**

18.1. Interference Prohibited. No person shall hinder, prevent, delay, or interfere with the Tree Board or Town Forester or any other town agent, while engaging in and about the planting, cultivating, mulching, pruning, spraying, or removing of any street tree, shrub or other plant, park tree, town forest tree, tree on other public property, or tree on private property, as authorized in this ordinance; provided, however, that nothing herein shall be construed as an attempt to prohibit the pursuit of any remedy, legal or equitable, in any court of competent jurisdiction for the protection of property rights by the owner of any property within the town.

18.2. The Town Forester can, if informed of a threat or hazard, approach a private landowner and request correction of the situation. If informal contact does not resolve the threat or hazard, The Town Forester may provide written notification thereof to the property owner, along with an order to abate the threat or hazard. The notification shall also advise the property owner of the owner's rights of appeal under this ordinance. If the threat or hazard is not adequately abated by the landowner, the owner may be subject to further action by the Town as provided elsewhere in this ordinance.

**ARTICLE XIX.
PENALTIES, CLAIMS, AND APPEALS**

19.1. Civil Penalty. Any person who violates any provision of this ordinance or who fails to comply with any notice issued pursuant to any provision of this ordinance, upon being found guilty of violation, shall be subject to a civil penalty not to exceed \$500 for each separate offense. Each day during which any violation of the provisions of this ordinance shall occur or continue shall be a separate offense.

19.2. Repair and Replacement Costs. If, as the result of the violation of any provision of this ordinance, the injury, mutilation, or death of a tree, shrub, or other plant located on public property is caused, the cost of repair or replacement, or the appraised dollar value of such tree, shrub, or other plant, shall be borne by the party in violation. The value of trees and shrubs shall be determined in accordance with the latest revision of *A Guide to the Professional Evaluation of Landscape Trees, Specimen Shrubs, and Evergreens*, as published by the International Society of Arboriculture.

19.3. Abatement Costs. In the event that a threat or hazard is not abated by the date specified in the notice, the Town Forester is authorized to cause the abatement of said threat or hazard. The reasonable cost of such abatement shall be reimbursed to the Town by the property owner. Failure to reimburse the Town within thirty (30) days of the issuance of an invoice by Town shall be a violation of this ordinance. In addition, the owner of the property on which the threat or hazard was located shall be subject to prosecution.

19.4. Compliance With Board of Appeals Ordinance. All appeals shall be subject to the provisions of the Town of Hampden Board of Appeals Ordinance including but not limited to filing deadlines, application requirements, fees, appeal procedures, decisions of the Board of Appeals and subsequent appeals to Superior Court. The property owner or any other aggrieved person may appeal to the Town of Hampden Board of Appeals, from a decision of the Town Forester and/or Tree Board refusing to grant a modification to the provisions of this ordinance covering maintenance and removal of trees, shrubs and plants. Such appeal shall be commenced within 30 days of the decision.

19.5. Appellate Review. The Board of Appeals may conduct an appellate review of the refusal to grant a modification to the provisions of this ordinance covering maintenance and removal of trees, shrubs and plants.

19.6. Basis of the Appeal. The appellant must demonstrate that the decision of the Town Forester/Tree Board having jurisdiction: (1) failed to correctly interpret the provisions of this ordinance or the rules, and regulations established pursuant to this ordinance, (2) the provisions of this ordinance do not fully apply, or (3) failed to consider that an equivalent form of maintenance and removal of trees, shrubs and plants can be used.

19.7. Modification or Reversal of the Decision. The Board of Appeals may modify or reverse the decision of the Town Forester/Tree Board upon making a determination that (1) the provisions of this ordinance or the rules and regulations established pursuant to this ordinance have been incorrectly interpreted, (2) the provisions of this ordinance do not fully apply, or (3) an equivalent form of tree, shrub or plant care can be used.

ARTICLE XX. ENFORCEMENT

20.1. Enforcement. This ordinance shall be effectively enforced and administered by the Town Forester, with the assistance of all town departments, as necessary to accomplish the spirit and letter of this ordinance and annual tree plan. When any violation of any provision of this ordinance is found to exist, the Town Forester is hereby authorized and directed to institute any and all actions and proceedings, either legal or equitable, that the Town Forester may deem appropriate or necessary to enforce the provisions of this ordinance.

ARTICLE XXI. REVIEW BY TOWN COUNCIL

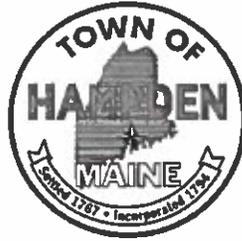

21.1. Town Council Review Authority. The Town Council shall have the right to review the conduct, acts and decisions of the Tree Board and Town Forester.

ARTICLE XXII. SEVERABILITY

22.1. Severability. Should any section, clause, or provision of this ordinance be declared by the Courts to be invalid, the same shall not affect the validity of the ordinance as a whole, or parts thereof, other than the part so declared to be invalid.

RE: Yard Sale Ordinance

At their meeting on November 16, 2016, the Planning & Development Committee recommended that the Town Council refer the repeal of the Yard Sale Ordinance to public hearing.

**TOWN OF HAMPDEN, MAINE
YARD SALE ORDINANCE**

TABLE OF CONTENTS

SECTION A - PERMIT REQUIRED.....2
SECTION B - DEFINITIONS.....2
SECTION C - REQUIREMENTS2
SECTION D - ENFORCEMENT.....3
SECTION E - VIOLATION.....3

ADOPTED: Hampden Town Council October 4, 1982
Effective: November 3, 1982

AMENDED: Hampden Town Council November 17, 2003
Effective: December 17, 2003

**TOWN OF HAMPDEN, MAINE
YARD SALE ORDINANCE**

The Town of Hampden hereby ordains:

A. *Permit Required.* No person, firm, corporation or other entity shall conduct a yard sale in the Town of Hampden without first obtaining a yard sale permit from the Code Enforcement Officer or designee.

1. **Permit Fee.** The fee for such a permit shall be paid in accordance with the Town of Hampden Fees Ordinance. Civic groups, school groups, church groups, charitable or fraternal organizations shall be issued a yard sale permit free of charge. *(Amended: 11-17-03)*
2. **Permit to be Posted.** Yard sale permits issued under this ordinance shall be posted at the yard sale in a location which is easily visible from the street.

B. *Definitions.*

1. Words and terms not defined in this ordinance shall have the meanings given them in the Zoning Ordinance of the Town of Hampden, or in the absence of definitions in said ordinance such words and terms shall have their customary dictionary definition.
2. **Yard Sale.** The sale of goods from a residential premises, whether advertised in local media, by signs, or otherwise as a yard sale, barn sale, garage sale, household sale, moving sale, or other sale, whether accomplished by direct sale or auction; or the sale, at the seller's place of residence, of all or part of the household goods, whether accomplished by direct sale or auction; or sales conducted by civic groups, school groups, church groups, charitable or fraternal organizations and other non-profit organizations if such sale is held on the organization's premises or within the Town Business Districts.
- 2A. The sale of new or used goods purchased or consigned specifically for yard sales is prohibited.
3. **Residential premises.** A building or structure having at least one dwelling unit and the lot of land associated therewith.

C. *Requirements.*

1. No yard sale may be conducted for more than three (3) consecutive days.
2. No person, firm, corporation or other entity shall conduct more than two (2) yard sales from any residential premises or location in any one (1) calendar year.
3. In the event that a hardship situation develops which may cause cancellation of a sale, the Code Enforcement Officer may issue another permit upon application from the person

conducting the sale, setting forth the reason for such cancellation. A fee as prescribed shall not be required in such cases.

4. All such sales from non-residential properties shall comply with the Zoning Ordinance of the Town of Hampden except yard sales conducted by civic groups, school groups, church groups, charitable or fraternal organizations and other nonprofit organizations which shall be governed by this ordinance.
5. Signs designating yard sales shall not exceed four (4) square feet and shall bear the name of the permittee. Signs shall not obstruct traffic views and shall be removed immediately after the sale has ended.

D. Enforcement. This ordinance shall be enforced by the Code Enforcement Officer and/or the Hampden Police Department.

E. Violation. Any person who violates any provision of this section, or fails to comply with any of its requirements, shall, upon conviction thereof, be fined not less than ten dollars (\$10.00) or more than one hundred dollars (\$100.00). Each day such violation continues shall constitute a separate offense.

4. Old Business:

- A. Draft Private Ways Ordinance Review
CEDD stated he felt the initial draft of a Private Ways Ordinance would be ready at the August 19, 2015 Meeting.

- B. Home Occupation Final Draft
CEDD presented the revised Final Draft of the modification to Section 4.10 Home Occupation Permits within the Zoning Ordinance.

Committee Action: The Committee moved and seconded to approve the revisions to Section 4.10 Home Occupation Permits and forward to the Town Council to send to the Planning Board for review and comment. Vote 6-0.

5. New Business

- A. Community Board(s) Membership Needs
 - 1. Appeals Board (7 Member/ 2 Associates)
 - 2. Historic Preservation Commission (5 Member/ 2 Associates)
 - 3. Conservation Commission (7 Member)

CEDD reminded the Committee Members that there is an ongoing shortage of volunteers to serve on various town committees. The primary concern is the requirement of a full and engaged Appeals Board and Historic Conservation Commission due to obligations and requirements of State and Federal Laws.

Committee discussed potential committee members who could be solicited based on potential interest, expertise and past service. CEDD was asked to request that the web page more prominently express the need for committee members.

6. Zoning Considerations/Discussion:

- 1. Yard Sale Ordinance
In support of the philosophical change in creating and modifying land use regulations to reflect minimum standards and regulations, the CEDD posed the question as to whether the purposes for the creation of a Yard Sale Ordinance still existed or if in fact a repeal should be considered. CEDD stated approximate revenue from the permits is \$200 to \$300 dollars per year. His discussion with the Code Enforcement Officer suggests

that there are adequate provisions within the Ordinance to address issues resulting from extended yard sales acting as Home Occupations or Retail Establishments.

The CEDD supports the repeal of the Yard Sale Ordinance if in fact the Committee should elect to do so, providing the misuse of Yard Sales can be addressed in the absence of the specific Ordinance.

Committee directed the CEDD to advise at the next meeting the process for repealing the Yard Sale Permit Ordinance.

2. Building Height Definitions

The Code Enforcement Officer requested this item for consideration due to the inconsistency of the definition of Building Height in the MUBEC Code and in the present Zoning Ordinance. He requested the Zoning Ordinance be amended to reflect Building Height to be defined with reference to the currently adopted Building Code.

Committee Action: The Committee moved and seconded to forward the requested change, provided by the Code Enforcement Officer to the Town Council to send to the Planning Board for review and Comment.

7. Citizens Initiatives:
8. Public Comments
9. Committee Member Comments: None
10. Adjourn: The meeting was adjourned at 7:45pm.

4. Old Business:

- A. **Draft Private Ways Ordinance**
CEDD provided copies of the previously drafted Private Ways Ordinance along with standards from Windham's Zoning and Subdivision Regulations for review and consideration moving forward. Committee to undertake review of drafted at next meeting.

- B. **Yard Sale Ordinance Repeal Process**
CEDD was asked to research and present process for repealing the Yard Sale Ordinance. The suggestion for the repeal was initiated by CEDD. Upon reflection, CEDD requested the item be tabled until such time the administration of the permits was reviewed, further stating his request was initially made in haste.

5. New Business

- A. **Zone Change Discussion – Dennis Melvin
(Coldbrook/Emerson Drive)**

Dennis and Debbie Melvin indicated their interest in adding an additional apartment to the two-unit dwelling located at the corner of Emerson Drive and Coldbrook Road. The desired preservation of and investment in the family home is their expressed intent. In order to move forward, a zoning change is necessary. An extension of the Business District to include their property is necessary as the currently designated Residential A does not allow their intended change in use.

In consideration of their intended residential use, the adjacent Business District, and the location in proximity to the Coldbrook Road, the Committee asked the CEDD to prepare the necessary paperwork to begin the initiation of the change. The Committee acknowledged that the nature of the area, being a residential subdivision, may require the Melvin's to explain to the neighborhood their intent with the zone change. Committee felt the Planning Board public hearing and subsequent recommendation would be helpful to the Councils ultimate decision.

**Committee Action: Motion made by Dave Ryder, seconded by Greg Sirols, to ask Community and Economic Development Director to prepare necessary documentation to initiate the process and present to the Committee at the next meeting
Vote: 5-0**

UNORGANIZED TERRITORIES \$10.00 filing fee shall be paid directly to County Treasurer. All applicants in unorganized territories shall submit along with their application evidence of payment to the County Treasurer.

All fees must accompany application, made payable to the Treasurer of Maine. This application must be completed and mailed to Bureau of Alcoholic Beverages and Lottery Operations, Division of Liquor Licensing and Enforcement, 8 State House Station Augusta ME 04333-0008. Payments by check subject to penalty provided by Title 28A, MRS, Section 3-B.

I am applying for both a wine and a beer license. We have had a beer license for over 23 years and we stopped having a wine license 21 years ago but now want to offer wine as well as beer here at the club.

I have remitted the check to the liquor commission for my wine license but they were holding the check until your approval for both licenses which expire (beer only) on 12/12/14. Augusta also has the check for the filing fee (\$10.00)

STATE OF MAINE

Dated at: Hampden, Maine Penobscot ss
City/Town (County)
 On: NOV 14th, 2016
Date

The undersigned being: Municipal Officers County Commissioners of the
 City Town Plantation Unincorporated Place of: Hampden, Maine

Hereby certify that we have given public notice on this application and held public hearing thereon as required by Section 653 Title 28A, Maine Revised Statutes and hereby approve said application.

THIS APPROVAL EXPIRES IN 60 DAYS

NOTICE – SPECIAL ATTENTION

§ 653. Hearings; bureau review; appeal

1. **Hearing.** The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, shall hold a public hearing for the consideration of applications for new on-premise licenses and applications for transfer of location of existing on-premise licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time the applicant may request a waiver of the hearing.
 - A. The bureau shall prepare and supply application forms. [1993, c.730, §27(amd).]
 - B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant's prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located. [1995, c.140, §4 (amd).]
 - C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premise license, for transfer of the location of an existing on-premise license or for renewal of an on-premise license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premise license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premise license that has been extended pending renewal with 120 days of the filing of the application. [1999, c.589, §1 (amd).]
 2. **Findings.** In granting or denying an application, the municipal officers or the county commissioners shall indicate the reasons for their decision and provide a copy to the applicant. A license may be denied on one or more of the following grounds:
 - A. Conviction of the applicant of any Class A, Class B or Class C crime: [1987, c.45, Pt.A§4 (new).]
 - B. Noncompliance of the licensed premises or its use with any local zoning ordinance or other land use ordinance not directly related to liquor control; [1987, c.45, Pt.A§4(new).]
 - C. Conditions of record such as waste disposal violations, health or safety violation or repeated parking or traffic violations on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises or other such conditions caused by persons patronizing or employed by the licensed premises that unreasonably disturb, interfere with or affect the ability of persons or businesses residing or located in the vicinity of the licensed premises to use their property in a reasonable manner; [1993, c.730, §27 (amd).]
 - D. Repeated incidents of record of breaches of the peace, disorderly conduct, vandalism or other violations of law on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises; [1989, c.592, §3 (amd).]
 - E. A violation of any provision of this Title; and [1989, c.592, §3 (amd).]
 - F. A determination by the municipal officers or county commissioners that the purpose of the application is to circumvent the provisions of section 601. [1989, c.592, §4 (new).]
- [1993, c.730, §27 (amd).]
3. **Appeal to bureau.** Any applicant aggrieved by the decision of the municipal officers or county commissioners under this section may appeal to the bureau within 15 days of the receipt of the written decision of the municipal officers or county commissioners. The bureau shall hold a public hearing in the city, town or unincorporated place where the premises are situated. In acting on such an appeal, the bureau may consider all licensure requirements and findings referred to in subsection 2.
 - A. [1993, c.730, §27 (rp).]
 4. **No license to person who moved to obtain a license. (REPEALED)**
 5. **(TEXT EFFECTIVE 3/15/01) Appeal to District Court.** Any person or governmental entity aggrieved by a bureau decision under this section may appeal the decision to the District Court within 30 days of receipt of the written decision of the bureau.
- An applicant who files an appeal or who has an appeal pending shall pay the annual license fee the applicant would otherwise pay. Upon resolution of the appeal, if an applicant's license renewal is denied, the bureau shall refund the applicant the prorated amount of the unused license fee.
