I agree to conduct myself as a true sportsman and to remember that access to private property is a privilege to be earned and not a right.

Respect Landowners Ask First to Access Private Land

The Maine Department of Inland Fisheries and Wildlife encourages all land users to voluntarily seek permission when possible prior to hunting, fishing, trapping, snowmobiling or ATVing on private property.

The Landowner Relations Program would ask all land users to consider using the enclosed courtesy cards. By exchanging information on a courtesy card, a positive landowner - land user contact is established. Landowners are much more likely to allow access if they have the names and vehicle descriptions of land users.

Please respect landowners and their private property. Remember, without access to their property, where would you go to hunt, fish, trap, snowmobile or ATV?

Private landowners are the most important part of outdoor recreation in Maine. With approximately 94% of the land in Maine being privately owned it is very obvious where the majority of outdoor recreational activities are taking place; on private property. Take the time to ASK FIRST! It's the right thing to do.

Release of Claims, Indemnity and Hold Harmless Agreement

*****Please read this section thoroughly before completing and signing*****

I, _____, in consideration of the opportunity to hunt on land owned by the Town of Hampden ("Town"), do hereby forever release the Town, and all its officials, employees or agents (the "Releasees") from any and all claims, injuries, rights and causes of action that may arise, directly or indirectly, from my hunting activities, and all activities related thereto, on Town land. I hereby further covenant for myself, my personal representative, heirs and assigns, not to sue the Releasees, on account of any such claim, action, demand or liability. I further acknowledge that my acts as a hunter are voluntary and may expose me or my property to injury, damage or risks. I therefore am deciding to hunt assuming all risk of injury (or death) to my person or damage to my property arising from said hunting activities and assume and agree to pay all damages and costs that occur as a result of my hunting acts. I am fully aware that by signing this document I am releasing the Releasees from any and all liability.

I further agree to indemnify, reimburse, defend and hold harmless the Releasees against any and all legal claims and proceedings of any description that may be asserted, directly or indirectly, including damages, costs and attorneys' fees, arising from personal injuries (or death) to myself or others, and/or property damage resulting from said hunting on Town land.

I am fully aware that by signing this document I am releasing the Releasees from any and all liability that may arise as a result of intentional or negligent acts of these parties. Additionally, it is my intent to release the Releasees from all liability and to defend and indemnify the Releasees for liability relating to any accident, property damage, injuries and/or death that may occur as a result of said hunting on Town land.

This document shall be governed by and construed under the Laws of the State of Maine.
