

MAINE MINOR CIVIL DIVISION AGE PROJECTIONS 2005-2020 FOR HAMPDEN, MAINE
Maine State Planning Office
December 2005

Note: Military Base Closures

This forecast does not include potential gains or losses in population caused by the closure or expansion of military facilities in Limestone, Bangor, or Brunswick.

At the time this forecast was generated, reliable data on the number and ages of military and civilian personnel to be effected and the dates of closure and expansion, were unavailable.

This forecast serves as a baseline projection that can be adjusted if reliable information on military and civilian personnel becomes available.
