FINANCE & ADMINISTRATION COMMITTEE MEETING MINUTES

Monday, October 7, 2013

Attending:

Mayor Janet Hughes	Resident Terry McAvoy
Councilor David Ryder	Town Manager Susan Lessard
Councilor Carol Duprey	Public Safety Dir. Joe Rogers
Councilor Tom Brann	Sgt. Dan Stewart
Councilor Jean Lawlis	Assessor Kelly Karter
Councilor William Shakespeare	

The meeting was opened at 5:35 p.m. by Mayor Hughes.

1. Meeting Minutes
 - a. September 16, 2013 – Motion by Councilor Brann, seconded by Councilor Shakespeare to approve – unanimous vote in favor.
2. Review & Sign Warrants – Payment warrants were reviewed and approved.
- Assessor Kelly Karter attended the meeting to briefly discuss with the Council the need to consider establishing a reserve fund for a property tax revaluation at some point in the future. Although the town's State ration is between 95 and 100%, and revaluation is generally only done when that ratio drops below 70%, due to the very expensive nature of a revaluation (+/- \$250,000) she asked that the Council consider beginning a reserve for that purpose during the next budget season.
3. Old Business
4. New Business
 - a. Request to use Computer Reserve funds to replace Town Office Server – Motion by Councilor Lawlis, seconded by Councilor Shakespeare to recommend to the Council that \$9,305.13 be approved from Computer Reserve for the purpose of replacing the server in the Town Office. Unanimous vote in favor.
 - b. School Resource Officer – Acceptance of Grant – Public Safety Director Rogers and Sgt. Dan Stewart (current School Resource Officer) explained to the Committee that the Town had applied for and been awarded a grant in the amount of \$125,000 to help offset three years of costs for an additional school resource officer to be located at the Reeds Brook School. Sgt. Stewart explained his role at the high school which included work with both staff and students. He indicated that he believed it would be valuable to the community to have the second officer in the younger grades in order to provide better coverage for needs related to education, security, anti-bullying, emergency procedures, helping students, etc. It was explained that the School Board had indicated support for the position but that there was no money in the current school budget for its support. Given the length of time it would take to advertise and hire, it is likely that the position would need funding for approximately six months in the current year and grant funds could be used for that purpose. Cost figures for the

three years of the grant and the fourth year of the program were presented to the Committee. Extensive discussion was held relative to concerns over funding of the position due to budget constraints, and why some Councilors see this as a real need. Motion by Mayor Hughes, seconded by Councilor Lawlis to recommend to the full Council that the COPS grant for a second school resource officer be accepted. Vote 4 – 2 (Duprey, Ryder).

- c. Sucker Brook Watershed Plan – Acceptance of Grant – Motion by Councilor Brann seconded by Councilor Shakespeare to recommend to the full Council the acceptance of the Sucker Brook Watershed Plan Grant from the DEP. Unanimous vote in favor.
 - d. Cancer Rate – Coldbrook Road – Councilor Duprey Request for Town to pay for 3rd Party Survey of area's current and former residents – Tabled for discussion at the regular Council meeting to determine whether funding would be necessary.
5. Public Comment – Resident Terry McAvoy suggested that there was not a need for a full-time officer as a school resource officer. He suggested that perhaps a retired officer could be hired on a part-time basis to reduce the cost necessary.
 6. Committee Member comments – None

The meeting was adjourned at 6:55 p.m.

Respectfully submitted,

Susan Lessard
Town Manager

TO: Mayor Hughes and Hampden Town Council
FROM: Robert Osborne, Town Planner
SUBJECT: Draft Zoning Ordinance Map Amendment, Swan Property
DATE: October 15, 2013

At the September 16, 2013 Town Council Meeting this item was referred to the Planning Board for Public Hearing and a recommendation. The Planning Board voted at its October 9, 2013 regular meeting unanimously in favor of a motion to recommend "ought-to-pass" for the attached zoning map amendment. The only person that wished to speak at the public hearing was Galen "Chip" Swan in support of the proposed zoning map amendment. He indicated that his family only became aware that this building located at 115 Main Road South was not in a commercial district despite the long history of commercial activity since the 1940s.

The proposal is to amend the Zoning Ordinance Map from Residential B District to Village Commercial II District changing Map 44, Lots 81 and 82. This consists of the old Swan service garage located at 115 MRS on the front parcel and a vacant house lot (the residence was razed seven years ago) on the rear parcel. The neighboring four corners are zoned Village Commercial II District. Clockwise they are Rawcliffe's Garage, the mixed use office/apartment building and neighboring retail/apartment building, office building (and the former town office building) and a retail area and mixed use Angelo's Pizza/apartment building.

The land area involved in the rezoning is modest in size with an area of approximately 0.26 acres and measuring about 120 ft. by 100 ft. in size. See photo of garage structure circa 1980s.

Having read the latest BDN article about the "school resource officer" and the accusation by Terry McAvoy that the council is "grossly irresponsible", I am requesting that this item be placed on the next Council Meeting agenda. I am also requesting that Sgt. Stewart and the Police Chief be present, and be prepared to make the same presentation to the council on TV, and be prepared to answer questions by the public. BANGOR DAILY NEWS

Hampden councilors accept school resource officer grant in 4-2 vote

By Dawn Gagnon, BDN Staff

Posted Oct. 14, 2013, at 8:43 p.m.

HAMPDEN, Maine — Town councilors voted 4-2 last week to accept a \$125,000 federal grant that will be put toward the cost of hiring a second school resource officer.

The funds will be used to cover part of the cost for hiring the officer for three years, Town Manager Susan Lessard said last week. In accepting the grant, the town agrees to fund the position entirely on its own for the fourth year, she said.

During a meeting of the town council last Monday night, Lessard said the town's current school resource officer, Sgt. Dan Stewart, now is assigned to Hampden Academy and Reeds Brook Middle School. In addition to his work with students, Stewart teaches several classes.

The new school resource officer, who likely will be hired early next year, would take over the middle school responsibilities, she said. Both school resource officers also would be available to Hampden's elementary schools and possibly the elementary schools in the fellow RSU 22 member towns of Newburgh, Winterport and Frankfort.

Lessard said that the grant application for the second school safety position has been discussed with the RSU 22 school committee, which she said was supportive but had no funding to contribute toward the local share for the position's cost.

Mayor Janet Hughes said that while the price tag was a concern, she believed that the benefit of having a second school safety officer "far outweighs the cost." She said, however, that she would like to see school officials help with the expense in future fiscal years.

During their discussions about the grant — provided by the U.S. Department of Justice's Office of Community Oriented Policing Services, or COPS program — town officials noted that this year's budget does not include funding for the second school safety position.

Given that, the town likely will draw most or all of the cost for the new officer from the grant award, which will leave less federal funding for the next two years.

The vote to accept the grant was not unanimous, with Mayor Hughes and councilors Jean Lawlis, William Shakespeare and Thomas Brann in favor of accepting the grant and councilors Carol Duprey and David Ryder opposing it.

Not everyone thinks that accepting the COPS grant is a good deal.

Resident Terry McAvoy, who attended last week's council meeting, called the councilors' decision to accept the grant "grossly irresponsible."

McAvoy said that a cost projection for the position provided to him by Public Safety Director Joe Rogers shows that despite the \$125,000 in federal funds, the cost to Hampden taxpayers will amount to \$198,192

based on the four-year total cost.

Though he attended the meeting, McAvoy said afterward that he did not address the councilors during their deliberations about accepting the grant.

“It just blew my mind [that the council voted to accept the funds]. I was flabbergasted,” he said, noting that during their budget deliberations this spring, councilors slashed this year’s road paving budget in half and did not fund donations to local service and charitable organizations, to name a few.

“I guess I’m just baffled as to how we’re going to pay for it,” he said.

Town of Hampden - Coldbrook Road cancer concerns

Dear Ms. Schwenn,

The purpose of this email is to request that a representative of the Maine Cancer Registry/Center for Disease Control attend an upcoming Town Council meeting in the Town of Hampden, Maine. Since 2002, the Town has written on behalf of Jim Barrows who lives on Coldbrook Road about concerns related to the number of cancer cases on Coldbrook Road.

In 2010 I received an email from you identifying what work had been done to assess the information provided by Mr. Barrows. The email also indicated that you would be contacting Mr. Barrows to set up a meeting. According to Mr. Barrows, that did not occur.

This past Monday Mr. Barrows attended a Town Council meeting to request that the Town do a survey of a portion of the community due to the fact that his list of persons with cancer on the Coldbrook Road has now increased and he said that there were 33 cases in 11 households within a half mile stretch of road. He also indicated that he had checked with persons on the original list and was told that no one from the Center for Disease control had ever contacted them in regard to their illness.

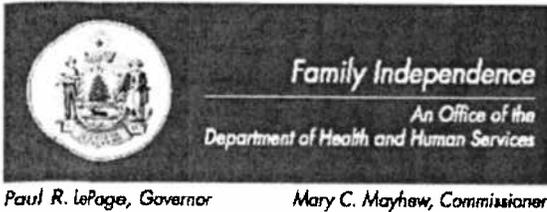

The Town Council understands that things such as a survey regarding cancer are beyond its area of technical expertise, but is asking that the State take another look at the statistics from the Coldbrook Road area, and that a representative attend a meeting here so that the Council can better understand the information to be provided. The next Council meeting is scheduled for Monday, October 21st at 7 p.m. at the Hampden Town Office.

Please contact me at your earliest convenience.

Sincerely,

Susan Lessard

The U.S.D.A. Thrifty Food Plan is distributed by the Maine Department of Health and Human Services on or about October of each year. This is Appendix B. The maximums normally change only once a year.

Procedure: Please adopt the new Appendix B at your next meeting and return the signed adoption sheet by email to: Robin.Reed@maine.gov or fax to: (207) 287-3455, ATTN: Robin Reed. Your municipality should start using the new food maximums found in Appendix B starting on November 1, 2013.
