

SERVICES COMMITTEE MEETING

February 10, 2014

6:00 P.M.

HAMPDEN TOWN OFFICE

A G E N D A

1. MINUTES 1-13-2013
2. OLD BUSINESS
 - A. Papermill Park – vegetation management, including possible removal of nuisance poplar trees
 - B. Video Streaming/Taping of all Meetings
 - C. Council Chambers Sound System
3. NEW BUSINESS
 - A. Farmer's Market – Request to use Town Office Parking Lot on Fridays May – October
 - B. New Appointment – Johnathan Perry – Recreation Committee
 - C. New Appointment – Nancy Fenders – Recreation Committee
 - D. New Appointment – Nancy Foster – Recreation Committee
 - E. New Appointment – Jessica O'Neill – Recreation Committee
 - F. New Appointment – Jason Sharpe – Recreation Committee
 - G. New Appointment – Matt Collier – Recreation Committee
4. PUBLIC COMMENTS
5. COMMITTEE MEMBER COMMENTS

SERVICES COMMITTEE MEETING MINUTES

January 13, 2014

Attending:

Councilor William Shakespeare	Mayor Carol Duprey
Councilor Jean Lawlis	Resident Terry McAvoy
Councilor Greg Sirois	Resident Jeremy Jones
Councilor David Ryder	Resident Angel Duprey
Councilor Tom Brann	Town Manager Susan Lessard
Debbie Lozito, Librarian	

The meeting was opened at 6 p.m. by Chairman Lawlis.

1. MINUTES 12-30-2013 – The minutes of 12-30-2013 were amended to reflect that Chairman Lawlis opened the meeting, not Councilor Shakespeare. The minutes were accepted as amended.
2. OLD BUSINESS
 - A. Communications
 1. Newsletter topics – The Town Manager presented a list of proposed topics for the newsletter to be done in the month of January (copy attached) and asked the Committee for additional ideas. Councilors suggested community organizations such as the VFW, Kiwanis, Hampden Business Association, and Eastern Area Agency on Aging as possible candidates for the article on a local organization for this edition. If Committee members come up with other ideas, they should be submitted by Wednesday, January 22, 2014 so that the newsletter can go to the printer by Friday, January 24th.
 2. U-tube/video streaming update/Twitter – The Town Manager updated the Committee on progress made related to live streaming of Time Warner Cable Channel 7. The streaming will take place on a website called Ustream which is a no-cost way for the Town to make this available. The Town has to have a different digital cable box installed in the video ‘closet’ where the equipment for cable channel 7 is located in order to allow the system to work. It is possible that the new digital box can be in place from Time Warner in time for the Tuesday, January 21st Council meeting. The updated internet speed in the Municipal Building makes this possible. Firefighter/Paramedic Matt Thomas and GIS/IT Specialist Gretchen Heldmann have done the work to get it up and running. The Town Manager also reported that the Town has an official u-tube site and can upload copies of Town Council meetings to it. Only the Town can load video to the Town ‘channel’. Staff will be working on getting past meetings uploaded and keeping current as meetings go forward.
 - B. Re-appointment – John Skehan Library Board of Trustees – Motion by Councilor Sirois, seconded by Councilor Ryder to recommend to the Council the reappointment of John Skehan to the Library Board of Trustees. Unanimous vote in favor.

- C. Re-appointment – Ruth Stearns Library Board of Trustees – Motion by Mayor Duprey, seconded by Councilor Sirois to recommend to the full Council the reappointment of Ruth Stearns to the Library Board of Trustees. Unanimous vote in favor.
3. NEW BUSINESS
- A. Eric Ellingwood (Resident) request to clear trail – Town Office/Pool property – Eric Ellingwood did not attend the meeting to make his request, however, the Committee did discuss what procedure should be used in the event that citizens are interested in doing such an activity. As a start, the resident(s) should meet with the Services Committee to discuss their idea and present a written plan of what the project involves. Following that, if the Committee wishes the project to go forward, a number of site visits with Town Staff, and Committee members to establish a location would be done with flagging of the possible trail being done prior to any trail creation. Chairman Lawlis outlined the process that volunteers interested in Dorothea Dix Park had used in cooperation with Town staff and Papermill Park volunteer coordinator Jeremy Jones outlined the process used to develop a location for a trail at that site and indicated that it was a cooperative effort between Town recreation staff and volunteers that involved numerous site visits. It was also noted that Mr. Jones regularly reports to the Services Committee on progress being made with the re-establishment of the park. It was the consensus of the Committee that anyone interested in establishing trails should begin by meeting with the Services Committee with a plan.
4. PUBLIC COMMENTS – Jeremy Jones asked that Papermill Park work related to vegetation management, including removal of nuisance poplar trees be put on the next Services Committee agenda for discussion.
5. COMMITTEE MEMBER COMMENTS
- Councilor Lawlis – Asked that the possibility of the Ammo Park owners constructing a parking area so that people could access existing trails on the former LL Bean parcel be followed up on. Councilor Ryder indicated that Planning & Development was working with the Ammo Park owner on that item as well as access off Route 202. She also asked that a staff person contact the Water District to see what additional information is needed for the District to vote to help fund the orthoimagery. She also commented that some entity had filled the bad pothole on Route 1A near Dorothea Dix that she had damaged her car by hitting. She also asked if the Town had heard anything else from the Maine Center for Disease Control in regard to the cancer information. The Town Manager informed the committee that she had had no response to her emails.

Councilor Shakespeare discussed a historic map of Penobscot County and Hampden that he has been trying for two years to get mounted and framed and donated to the Town of Hampden. He indicated that the Planner had made a frame for it. Librarian Debbie Lozito said that such items needed to be appropriately matted and preservation glass used or the item would continue to deteriorate. The Town Manager will get an estimate for appropriate glass and matting for the piece and

report back to the Committee. Councilor Shakespeare also commended public works for the good job they did during the very icy conditions on Saturday, January 11th. Mayor Duprey asked if the Town Manager would arrange for Department Heads to attend Council meetings over the next couple of months for the purpose of providing the Council with information on their duties/responsibilities/workload so that Councilors can better understand each department function prior to the budget work that takes place in May and June.

The meeting was adjourned at 6:55 p.m.

Respectfully submitted,

Susan Lessard
Town Manager

LC

Rep. Brian Duprey
P.O. Box 214
Hampden, ME 04444

Town of Hampden
Western Avenue
Hampden, ME 04444

Dear Hampden Town Council,

I have a complaint that I would like to have rectified as soon as possible.

I lost 70% of my hearing in the U.S. Navy and wear hearing aids that corrects me to close to normal.

I used to come to committee meetings when you had it in the back room and I was unable to hear a word. I pressured the Mayor to move committee meetings to council chambers and use microphones in an effort to be able to hear and it has helped some. The sound system in the town council chamber is so bad that I still have a very hard time hearing. I have heard this complaint from several residents who have also had a hard time hearing.

I am happy that you offer hearing assistance devices, I was able to use one last week. Even with this system I had a hard time hearing several of the councilors. When I asked a certain councilor to speak up I was criticized and publically embarrassed for doing so. Additionally, for this system to work the meeting must be using microphones which I understand is a problem due to the live streaming. The problem may be with the microphones. To comply with the A.D.A., I believe you must make all meetings accessible through hearing assistance devices.

I know it is too late to agenda an item for the next Services Committee meeting. It is my hope that the Committee will bring up this issue anyway and work to upgrade the council sound and/or microphone system and create a policy that all committee meetings are done by using a microphone. There are many folks like myself that have always been embarrassed to go out in public due to the fear of having to confront someone in conversation and not be able to hear. I live that fear every day. This is a major reason I would like live streaming of committee meetings, for those of us who would rather stay home and watch without the stigma of having to wear an embarrassing headset in public.

Please seriously consider making the aforementioned changes.

Sincerely,

Brian Duprey, Monroe Road

Hampden Farmers' Market Regulations:

(Established March 2012)

These regulations are to be followed by those who participate in the Hampden Farmers' Market.

1. Membership Eligibility:

- All Maine food producers who produce what they offer for sale are eligible for membership in the market. Farm-related handicrafts vendors may not represent more than 20% of the total market vendors
- A completed application is required to be considered for membership in the market. Applications are due in by April 1st. Late applications will be subject to an increase in membership dues. Upon a favorable vote of acceptance, the annual membership fee will be due prior to the start of the market.
- Each applicant for new membership will be required to make a presentation in person to the voting membership at a meeting for new applicants on the second Sunday of April at a place and time to be determined by the officers of the Association.
- Each applicant for new membership will be reviewed and voted on by the current voting membership at new applicants meeting.
- Voting is limited to one vote per membership. The voting member must be the vendor, spouse, or an employee of the farm. Simple majority votes carry the motion.
- Late applications (received after April 1st) will be reviewed only in order to fill gaps identified by the membership. They will be processed within one month of receipt including voting and notification.
- Space is available for civic functions, pre-approved in advance, at each market day.
- Priority will be given to foods and products which are produced using methods that honor the principles of organic, sustainable and/or natural production. Exceptions will be given for items not available chemical free in Maine and to non-edible items.
- New vendors will be considered provisional their first year. Permanent membership and voting privilege are earned in the second year, provided a favorable review and second vote of acceptance by existing members.
- Each member must attend at least 50% of the markets during the season or they will need to reapply as a new vendor the following season unless under special circumstances.

2. Location and Time:

- The Hampden Farmers' Market will be located in the parking lot of Schacht's Hardware adjacent to Hampden Academy.
- The market is officially open every Friday from 2:00 p.m. to 6:00 p.m. The market will start on the Friday prior to Memorial Day weekend and will close on the last Friday prior to Thanksgiving.

3. Dues:

- Annual- An application fee of \$40 shall be submitted with the completed application, and will be returned to any members who are not accepted into the market. This application fee will cover the annual dues and is non-refundable once accepted into the market. Late applicants will be subject to a \$50 late fee. This is non-refundable.
- Daily- There will be a daily setup fee of \$5. The Market Manager or Assistant Market Manager will collect the setup fee during each market.
- Checks should be made payable to Hampden Farmers' Market and mailed with the application.

Attendance:

- Members are expected to stay until close of the market on each market day unless they are "sold out."
- Members are encouraged to attend all pre-season business meetings and to participate in all market activities. Members in attendance at meetings will have one vote per membership.
- Members are expected to be at every market during the season applicable for their product. If you are unable to attend, please contact the Market Manager as soon as possible to ensure a smooth flow of market operations. (Ryan Parker; cell: 356-6577)

5. Market Positions:

- The membership will appoint a Market Manager, Assistant Market Manager, Secretary, Treasurer, and Co-Treasurer at the annual meeting.
- The market manager will oversee implementation of these rules, act as market spokesperson, run business meetings, and make any on-site decisions relating to market management when need arises. Any such decisions are subject to review by the membership in a timely manner.

6. Items for Selling:

- All products for sale at the Hampden Farmers' Market must be grown or made by the vendor. Exceptions include specific Maine grown or Maine-made products that are not provided by any other member. Prior approval by majority vote is required. When possible, vendors should submit their request to sell "bought-in" products with their applications.
- Products of handcraft vendors must be 75% farm created. Any 'gray' areas will be discussed and approved by the farmers' market members.
- Vendors wishing to bring new items must so state on their annual applications for review by the membership.
- Knowledge of and compliance with all state regulations regarding the production, labeling, display, and sale of all products at the Hampden Farmers' Market is the responsibility of the individual member.
- Copies of all appropriate licenses and permits for each member operation should be on vendors during market hours, as applicable.
- Individual farmers are responsible for obtaining approval to accept WIC.
- Non-vending displays will be individually reviewed and permitted by permission of the market members.
- A state certified scale is required for selling vegetables and other products by weight.
- All vendors are responsible for having a liability insurance policy for their product(s).

7. No Buy Rule:

- In order to ensure the freshest and highest quality produce at the farmers' market, and to assure customers they are dealing with the farmer, market members must sell only products they themselves grow or make. The stand may be staffed by an employee provided the person is a regular employee of the farm. Buying products for resale at the market will not be allowed unless approved by the membership. "Ghost" members (growers who themselves do not attend, but join the market for the sole purpose of supplying another market member) are not allowed.
- Items for sale must be fresh and of high quality. We each are the Farmers' Market and the reputation and success of the market and your operation depend on what each farmer offers for sale.
- Farm visits will be made as needed to ensure a member's production of what is being offered for sale. All new members will have a farm visit. Existing members will be visited to keep up with change in products.
- No Buy Rule for greenhouse vendors: Due to the nature of their business, greenhouses are permitted to buy in plugs, but the buying of "finished" plant product is strictly prohibited. The standard for review will be in "value added" to the plant product, and all plant material must have been raised by the grower for no less than 10 weeks prior to the start of season.

8. Signs:

- All farmers will have signs that display their name and address in a prominent manner at every market.
- All products for sale will be labeled and priced.

9. Setting up at the Market:

- Displays should be neat and tasteful. New vendors should check in with the market manager to be assigned their position. Once assigned a position, each vendor will set up next to the same neighboring vendors each week. In the event of an absence, the Market Manager will let the affected vendors know to adjust their setup positions.
- Customer Walkways- Maintain a clear walkway for customers to move from one vendor to another without obstruction. Space for each vendor is at least 12' x 12'. Vendors are welcome to use more space, as available, if necessary. However, it should be remembered that, while there is no maximum established distance between vendors, it is important to stay close enough to ensure a smooth flow of customers and the cohesive appearance of the market.
- Shelters are not required by the market, but if a vendor chooses to use a shelter, it must be properly weighted for safety.
- No overnight parking is permitted.
- Hawking and false advertising is forbidden.
- General cleanliness of the market area is everyone's responsibility. It assures customers a pleasant place to shop and keeps us on good terms with Schacht's and other store owners in the mall. This includes picking up your own area while selling and making certain the area is clean before you leave.

10. Presentation:

- Any attempt to mislabel items for sale will be considered an attempt to defraud the public and may result in barring from the market. Any returns are solely the responsibility of the vendor who originally sold the item. The market as a whole is in no way responsible for accepting returns for any vendor.
- Alcohol consumption and smoking by members at the market is prohibited.
- Members should behave in a cooperative manner with other members.

11. Violation of the Regulations:

- Upon determination that a market regulation(s) has (have) been violated, the offender will be given a verbal warning. Further violations will be brought before the market members, who, after due consideration, may enforce corrective action or cancel the offender's membership to the market, with forfeiture of dues.

12. Special Circumstances:

- These regulations may be temporarily modified to address unanticipated circumstances not covered in this document. Any modifications will be made only after a majority vote of the full market membership and shall state the reason and the specific duration of the modification.

Hampden Farmers' Market By-Laws

Adopted 16-Mar-12

• Article 1 - Formal Title

This organization shall be known as the Hampden Farmers' Market Association.

• Article 2 - Purpose

To improve the production and marketing of local farm and garden products in the Hampden and surrounding areas, and to stimulate public interest in the consumption of local farm and garden products thereby supporting, preserving, and improving the quality of rural life in this area.

• Article 3 - Membership

Any home gardener or farmer qualifying with Maine homegrown products shall be eligible for membership in the organization by agreeing to abide by the established rules and by-laws of operation. Members will only be allowed to sell after paying membership fees.

• Article 4 - Officers and Steering Committee

The officers shall consist of Chairperson, Secretary, Treasurer, Assistant Treasurer, and Market Manager.

Steering Committee: These officers, together with two other elected members, shall constitute the Steering Committee. The officers shall serve for one year, or until qualified successors have been elected.

Duties of the officers and Steering Committee are as follows:

Chairperson: The Chairperson shall preside at all meetings of the Association and the Steering Committee. She or he shall request the secretary to call regular or special meetings and attend to all duties expected of such an officer. The Chairperson shall also appoint committees, including advertising and promotion.

Market Manager: The Market Manager shall attend to the duties of the Chairperson in his/her absence or inability to serve. She/he shall be in charge of advertising, publicity, and public relations, as well as enforcing collection of dues and adherence to market rules.

Secretary: The Secretary shall keep record of all meetings and send out notices, whenever requested to do so by the Chairperson.

Treasurer: The Treasurer shall keep a record of all dues and other money received from the market operation. She/he shall record any money paid out report on the foregoing, whenever requested to do so. She/he shall deposit all monies received in a local bank account.

Assistant Treasurer: The Assistant Treasurer shall share some of the work of the treasurer, and shall be able to sign checks.

The Steering Committee: The Steering Committee shall meet on the call of the Chairperson, or in his/her absence, the call of the Market Manager. The Steering Committee shall arrange for all meetings, and have general charge of the Association activities, including the power to authorize the treasurer to pay bills approved by the Steering Committee. The Steering Committee shall appoint new members to a vacancy on the Steering Committee between annual meetings. The Steering Committee may sponsor advertising by newspapers, radio, or television and request support from various municipalities for promoting the successful operation and expansion of the market. At the request of the Market Manager, the Steering Committee shall investigate any suspicion of questionable practices employed by any seller. If verified, the Steering Committee is authorized to immediately enforce corrective action. The Steering Committee may appoint committees as needed.

• Article 5 - Meetings

An Association meeting to nominate and elect members of the Steering committee shall be held at the annual meeting. The annual meeting shall occur in the first quarter of the calendar year. Members in good standing shall have the privilege of voting at all association meetings. Each farm membership may have one vote. Twenty percent of the membership shall constitute a quorum. Members shall be notified of the meeting at least one week prior to the annual meeting.

• Article 6 - Records

Every member shall have the right to examine, for any reasonable purpose, the books, records, roster of membership, and other appropriate records of the Association.

• Article 7 - Dues and Liquidation

Section 1. The annual dues shall be determined by the Steering Committee annually, payable to the Hampden Farmers' Market. The Steering Committee may also set a per day fee for market attendance. All dues shall be paid by the date appearing on the membership form.

Section 2. Any member of the organization whose dues fall into arrears shall, after proper notification by the treasurer, be automatically dropped from membership in the organization unless immediate payment of such dues is made.

Section 3. In the event of liquidation or dissolution, all remaining funds in the Association's treasury shall be distributed on a patronage basis to members and non-members alike (regardless of chronology of such patronage) on the basis of their respective patronage satisfying all debts and other obligations of the Association.

Section 4. The association shall, on an annual basis, return to the patrons, members and non-members alike, any income that is in excess of the Association's expenses.

• Article 8 - Amendments

The articles outlined may be amended by a two-thirds majority of members present at any regular or special meeting, providing that a notice of such revision or amendment was included in the call of the meeting, or else that the matter had been duly presented at a previous meeting.

HAMPDEN FARMERS MARKET

Vendor Application for 20____

Your Name(s) : _____

Farm Name: _____

Address: _____ Town: _____

Zip: _____ Phone: _____ Email: _____

Website: _____

Please put a "1" for your primary products and a "2" for your secondary products. Your application will be accepted based on your primary products. Secondary products are items you may not bring each week, or may not have in large quantities. For instance, if you sell veggies, but also provide cut flowers from your garden periodically, those flowers would be secondary. Any changes must be approved by the Market. If you are a returning member, indicate new products with an asterisk.
