

**TOWN OF HAMPDEN
SOLID WASTE TRANSFER STATION RULES & REGULATIONS
355 Canaan Road, Hampden**

The Town of Hampden has a Solid Waste Transfer Station located at the Public Works Facility on the Canaan Road. This facility is for disposal of Hampden residential trash only, for residents with a valid Demolition/MSW or MSW (Municipal Solid Waste) decal.

- No Commercial Haulers are allowed to utilize the municipal Transfer Station
- No Contractor vehicles allowed (special circumstances may be reviewed on a case-by-case basis which meet criteria specified in the Transfer Station Decal Issuance Policy)
- No dumping of trailers. Items must be off loaded by hand. Trailers may not exceed 12' long.

I. TRANSFER STATION DECALS

A decal permanently affixed to the vehicle is required for access to the facility. Decals are available at the Town Office at a cost specified in the Town of Hampden Fees Ordinance. Separate decals are now issued for municipal solid waste/recycle/brush and demolition disposal. The demolition disposal decal allows full use of the facility including disposal of demolition debris, municipal solid waste, recyclables and brush.

A current vehicle registration and/or proof of residency must be presented annually in order to obtain a decal. Eligibility requirements are specified in the Transfer Station Decal Issuance Policy.

No vehicle will be allowed entry to the Transfer Station without a current decal. Residents are expected to have a valid decal prior to JANUARY 1 to utilize the facility. A grace period may be provided to residents, with a valid decal from the prior year affixed to the proper vehicle, which may be allowed entry during the month of January only. As of February 1, all vehicles without a valid decal will not be allowed to utilize the facility and will be turned away at the gate or asked to leave if found within the facility. All residents unwilling to leave upon request, may be reported to the Public Works Director and/or Police Department and depending on the severity, could face civil or criminal penalties.

TYPES OF DECALS:

MSW: This decal will allow the user to dispose of Municipal Solid Waste, Single Stream Recycling, Metals, Brush, Appliances, Electronic Waste and Appliances with Refrigerant with the appropriate sticker.

DEMO: This decal will allow the user to dispose of all the waste covered with the MSW decal as well as Construction & Demo Debris, Furniture & other Bulky Items.

BULKY ITEM DISPOSAL PERMIT: This permit will allow for the disposal of Furniture and other Bulky Items into the demo pile with a punch card. This is not unlimited disposal of items but a way to dispose of small numbers of household items that cannot go into the MSW or Recycling Containers.

Note: A Temporary Vehicle Pass may be available based on eligibility and requirements also specified in the Transfer Station Decal Policy.
