1. Voting location for all municipal, state, federal elections
2. Hampden Public Safety Department Training
3. Training for other Hampden municipal departments
4. Training space for other governmental entities, including regional trainings
5. As a general rule, non-governmental events, trainings, or functions will not be permitted in the training room. However, the Town Manager, upon consultation with the Director of Public Safety, may approve or deny any requests for such use on a case by case basis.

With the exception of voting, use of the room will be on a first come, first served basis. Staff members wishing to utilize the room should check the schedule and reserve dates as early as possible. Scheduling shall be done through the Hampden Public Safety administrative assistant.

B. Responsibility of Municipal Personnel for Training Room Use
A Hampden employee shall serve as the single point of contact for any use of the Training Room, including regional trainings, and shall be responsible for completing, or ensuring completion of, all associated responsibilities.

The Municipal Department or Personnel requesting use of the room, or “sponsoring” its use by a non-Hampden governmental entity, shall be responsible for:

1. Communicating with attendees about where they should and shouldn’t park, and addressing any concerns with parking should it arise.
2. Maintaining building security - at no time shall anyone be permitted unescorted access to areas designated as public safety work or storage space.
3. Set up prior to and clean up after use.

C. Rules for use of Training Room by non-Hampden governmental entities:

2. Wireless internet is available on site, but there is no availability on site for photocopying, technical support, or provision of projectors or other equipment.
